10,000 POUNDS OF BUTTER!

THE quantity of butter made in this country is too small. It can be increased 10,000 pounds by the use of NIXON'S Horse and Cattle Powders. Good for all diseases of Horses, Cattle, Sheep and Hogs. Sold by J. F. KURTZ, Waynesboro.

Read these certificates, hundreds of which could be published:

Four or five years ago, J. S. NIXON composed a Horse and Cattle Powder, and asked me to try it. I was the first farmer to whom it was sent, and the first one to use it for stock. I found it equal to what Mr. Nixon said of it, and I used it extensively since, and heartily recommend it to farmers as a sure thing in fattening stock of all kinds and a capital Powder for Horses.

MICHAEL EBERSOLE, Chambersburg, December, 1866.

Mr. J. S. Nixon - To the multitude in this portion of our State who have used your Cattle Powder, no commendation is necessary. Its beneficial effects have been fully tested, and hence its unbounded popularity. I have used it for my horses and cows for several years past, and cannot afford to do without it. It keeps all kind of cattle in good condition, loosens the skin, smooths the hair, and sharpens their appetites. As a preventive from disease, I regard it as invaluable. Yours, &c. REV. H. S. SCHNECK, Chambersburg, April, 1866.

Mr. J. S. Nixon - Dear Sir - I gave your Horse and Cattle Powder a fair trial with all my stock, Horses and cattle, and it improved them wonderfully. It especially increased the fatness of the milk of my cows, and improved the condition of my stock greatly.

I can cordially recommend it as the best thing of the kind I have ever known or tried, for all kinds of stock, and it should be kept in every stable.

Yours truly, A. K. MCLURE, Ed. Repository, Chambersburg, April, 1866.
