the sewing machine, died at his residence, ball players this season. in Washington avenue, Brooklyn, on Friday

THIS GREAT COUNTRY .- A certain Wesern paper was very much given to, 'hafalutin' on the subject of this great country, untill a rival paper somewhat modified its tone by the following burlesque.

"This is a great and glorious country! It

has longer rivers and more of them, and they been in favor of the Democratic ticket by taster, and rise higher, and fall lower, and make more noise, and do more damage than anybody else's rivers. It has more lakes faster, and pitch off the track oftener, and kill more people than all other railroad cars in the world. Our steamboats carry bigger loads, they are longer, and broader and bigger, and THE ELECTION. - The election in this place | burst their boilers oftener, and sends up their on Tuesday last passed of without the least passengers higher, and lets them fall harder, and the captains swear more, than any steamexcitement. The following is the official boat captains in any other country. Our men vote of Washington Township, which shows are bigger, and longer, and thicker, and can a considerable falling off from the majority fight faster, and don't more mean whisky, of the Union party as compared with the rote of last fall. There are different causes vote of last fall. There are different causes Our ladies are richer and prettier, and for this result, which seem to have extended dress finer and spend more money, and throughout the State, the most prominent of break more hearts, and wear bigger hoops, which was doubtless a general apathy among and shorter dresses, and longer curls, and paint and powder more, and run the streets more, and follow the fashions closer, and kick cal one, comparatively little interest was up the devil generally to a greater extent than all other ladies in all other countries. Our children squall louder, grow fatter, get too expensive for their pantaloons, and become twenty-one years old sconer by some months than any other children in any other country on the earth We have better, and sharper, and meaner lawyers than any other country. We have more preachers than any other country, and some of them can sing louder, preach harder, pray longer, and act the hypocrits better than any other preachers in the world. We have faster horses, and fatter and bigger hogs, and better beef, and everything else ahead of anything that can be produced claewhere.

CONSTITUTIONAL AMENDMENT. -The following is the amendment to the Constitution proposed to the people of Ohio, upon which they vote on Tuesday;

Every male citizen of the United-States of the age of twenty-one years, who has been a resident of the State one year next preceding the election, and of the county, township or ward in which he resides, such time as may be provided by law, except such persons as may have borne arms in support of and insurrection or rebellion against the Govern-Onto ELECTION .- The few returns of the ment of the United States, or have fled from their place of residence to avoid being drafted into the military service thereof, or have about 20,000 votes. The Amendment to Government in time of war, and have not the constitution enfranchising the colored subsequently been honorably discharged from citizens has been defeated by a large major. the same—shall have the qualification of an elector and be entitled to vote at all elec-

Wednesday in St. Louis.

Richmond a few evenings since, Beauregard urged the people to manifest the same spirit that characterized them during the war. That is to say, he would have them unyielding, and pursue the same path of folly which the whites of Alabama and Louisiana have entered upon by leaving the entire work of reconstruction to the blacks. The little Creole evidently is animated by "the same spirit." He is the same Beauregard who vote to William P. Miles from Charleston, under date of October 13, 1862: "Has the bill for the execution of abolition prisoners after January next been passed? Do it and England will be stirred into action. It is high time to proclaim the black flag after that period. Let the execution be with the

A few days ago a train of cars ran into a hand car containing fifteen men, one mile east of Aurora, Ind., and killed three men on the spot. besides wounding six others, some of them mortally. The train was an extra, and was running cautiously, but owing to a dense fog, neither party could see over a few yards in advance.

RAYAGES OF WAR .- It is announced that since the Act of Congress of July 16, 1862, authorizing artificial limbs to be furnished to maimed soldiers, there have been issued 3,981 legg, 2,240 arms, 9 feet, 55 hands, and 125 surgical apparatus. The Surgeon-Gen-12 eral estimates that 1,000 limbs remain still 69 to be supplied.
