Moret'an eleven years have elapsed sings the undersigned undertook the hazardous task of establishing a daily paper at the Capital of the State. In 1856, on the 7th day of October, the DALLY TEL-EGRAPH was first projected by the present proprietor, and we need not tell our readers that doubt existed in the minds of many of our friends of our ability to sustain the same, with the limited means at commond, but a fixed determination, energy and industry have crowned our efforts with success, and the TELEGRAPH to-day bears abundant testimony that it

TELEGRAPH to day rears abundant testimony time is a permunent institution of the Capital city.

When we remember that we started with but one
Washington and an all wooden power press, which
was sufficient to do all our press work at that time, we feel exceedingly granuled to inform our randers that it requires now one large double cylindor Tay-lor press, two large single cylinder Taylor presses, a job press and a large iron hand press, to supply the wants of the public, and the same mercase, in proportion, of other printing materials The size of the daily is to-day twice as large as when we startest the same, and we should not be surprised if we are compelled again to enlarge it before the close of the present volume. It is now the largest daily published outside of the commercial cities in the

# A NOTICE FOR ALL TO READ! THE "MORNING GLORY!"

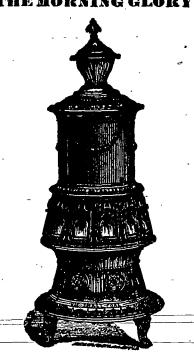

Is the Cheapest and the Best Base Burning Stove beforethe Public!

THE No. 9 M. G. sells at \$25, and is nearly 50 the neavier than the No. 9 Oriental, and is larger than the No 10 or No. 11, which sells at five to six dolars more than the No. 9 M. G. Again, the morning Glory is the only stove that breaks-up its cinder and passes them off with the ashes. This is done Ly means of us Mill Grate. This grate is not in any other stove, nor can any other stove use it— This mill grate is insured for five years, now, in the Oriental stove, when you must take out ander you have to open a door on top of the fire pot and with a poker rake them up and pass them out through this doer. Very nice that, provided some of the hot cinder falls on your nice carpet. "Oriental Book, page 3 says that you must take off your pipe during the season from the stove and remove the asher &c., which have accumulated in the back flue." Anwhich have secumulated in the back line. Another nice job in a nice room. Now, nothing of this kind have you to do in the Morning Glory.

W. A. TRITLE is the only agent in Waynesboro' for the sale of the M. G. stove. Pe has sold

since the 28th day of Sept., 50 of these stoves. The M. G. has taken since 1866 all first class Premiums over all other Base Burning stoves Call and see the stove in operation and learn what the stove is, for yours ives, then you can judge which is the best stove. Trusting that in this exposure I have done no injustice I leave it for the public to judge as to which of these stoves shall receive their patronage.

### CLLEBRATED BASE BURNING STOVE THE MORNING GLORY:

ty on Church Street, Waynesborg, consisting and lot of ground, with good stable. Cistern, W sh The Morning Glory is a perpendial burner, having House, and other necessary improvements, the whole being in good repair. There is also on the a magazine or reservoir for reserve coul, which is required to be filled but once a day, and if the proper

sized conl is used it is not neccessary to remindle

lot a choice variety of trust trees.

If not disposed of h fore the 1st day of January the fire during the entire winter. 1868, it will be offired at Public Sale on that day, (No clink er will remain in these stoves, nor will there be any trouble from slate, or other impurities and if not sold will then be offered for rent to the in the coal, the fire being always at the base of the Persons wishing to examine the property will cont. the impurities are left in the ashes and ground please call on Geo. Bender, Esq., who will show it to them JUSEPH BENDER.

### THÉRE'S NO ESCAPE OF GAS OR DUST ECONOMY OF FUEL!

The combustion of fuel being perefect and at a IME desirable Mill Property situated one mile high temperature, the amount of heat produced west of Waynesboro', known as Washington from the same quantity of coal is much greater Mills, is now offered for rent, on reasonable terms. than at a low temperature, hence but a small quan This property has four run if stone with all the late tity of fuel is necessary to be undegoing the proimprovements found in Mill projectics. Any per surface of the Morning Glory is radiating surface. Add to this the surface of bjects heated by rays of light through the mica windows, and you have the reret of the great heating propert ies of the Moning Glory with a small amount of fuel.

For sale at W. A. TRITLE'S Tin and

He has a large stock of Stoves Tinw are and oth er goods in his line, which he will rell cheap. You will find the best COOK NINE PLATE and COAL STOVES in market. Also on band Brass, Copper and Iron Kettles. His Copper Kettles are better than are offered for sale els where, and cheaper, as he makes them, and can sell at shorter prefits Also the best CISTEPN PUMP in market, 18 strong, simple durable and cheap, is insured not to freeze. Call singsee it. All kinds of repairs done in I'm, Copper of Sheetiron. Don't tail to call as you will find a large stock of goods. W. A TRITLE. Sept. 6.-7 mos.
