VILLAGE RECORD.

WAYNES BORO'.

Fr.day, July 24, 1568

It is said that the Conservatives have adopted apple blusome as a campaign badge. It will be worn on the nose.

sixteen funeral notices.

Hon. W llam Pinkney White has been appointed by Governor Swann United States senator, to fil. the unexpired term of Reverdy Johnson.

and Dent left Levenworth on Saturday for the ground that an officer of the Executive Denver, via Kansas and Pacific Ruilroad.

Military government no longer exists in Louisians. General Buchanan issued an order fermally abolishing it, on being advised ed the Fourteenth Amendment.

the vicinity of their cutrage.

The whicky ring are trying to get the President to veto the Tax bill, but it is not known what success they are having. It will be promptly put through over the vetoe if one is sent in. The 'ring' object to the reduction of the tax from \$2 to 50 cts.

Becretary Seward proclaims that the Fourteenth Amendment to the Constitution has been ratified by the requisite three fourths That-there shall be levied and collected on of all the States, and "so has become valid all distilled spirits on which the tax preserito all intents and purposes as a part of the bed by law has not been paid, a tax of 50 Constitution of the United States."

Dr. John J. Kelley, a young physician of Lock Haven, was drowned in the river last week while bathing. He was sit- ber of gauge or wine gallons when below ting on a log while his companions were get- proof, and shall be increased in proportion ting out, fell off, and although a good swim mer d'aappeared.

Pelegrams from a number of localities in the States of Illinois, Wisconsin, Iowa and Minnesota, with two or three exceptions, announce the crops of awall grains unpreceden--ted, both in quality and quantity, and the corn never looked better. Unless some blight should come, both the small grain crop and He there made the acquaintance of a young the corn will be the largest ever gathered lady named Scibert, to whom he became dein the Northwest.

The outrages of the Rebels in Kentucky continue to be practiced with unabated frequency and barbarity. A Union man in Franklin county recently had twenty-five horses poisoned. A large number of buildings belonging to the Shaker community, in During the forenoon (Saturday) he visited books. Our paper bills are cash and must Loudon county, have been burned by the the residence of the Seibert family, and ob- be met promptly. Kuklux Klan. The Shakers were loyal, du ring the war.

from the effects of the heat. Reports of bein drew a pistol, and pointing it to her deaths from sunstroke come from all quar- heart, fired, at the same time declaring that ters. There has also been great mortality she should not become the wife of any one. among horses and cattle, especially in the larger cities. It is contended that the heat tol towards his own head, and shot himself, so far has exceeded that of any season for the last twenty-five years.

The President on Monday transmitted to Congress a veto of the act recently passed excluding from the electoral college the votes | Pottsville Miners' Journal, most excellent of States lately in Rebellion which shall not authority upon all matters relating to the h. ve boen reorganized. He asserts his views, anthracité coal trade—gives a very different defends his policy and denounces the Recon- account of the strike among the miners from struction acts of Congress in his own pecul that sent over the country by telegraph .liar manner. He says that the only legiti. There has been no violence on the part of mate Governments in the Southern States the workmen; only a demand for increased are those set up by himself, and, that "all the State Governments organized in those States under act of Congress for that purpose, and under military control, are illegitimate and of no validy whatever, and, in that view, the votes east in these States for President and Vice President, in pursuance of acts passed since the 4th of March, 1867, coal shall carry up prices, and then they will and in obedience to the so called Reconstruct advance wages in proportion. Consequently, handsomely arranged, and is admired very tion acts of Congress, cannot be legally re- there is a fair prospect that the strike will generally. ceived and counted; while the only votes in last some weeks. those States that can be legally cast and counted will be those east in pursuance of the laws in force in the Several States prior to ed the Luzerne. In some of the machine the legislation by Congress upon the subject shops the workmen have also turned out. of reconstruction." Congress, he declares, has no power under the Constitution either to receive or reject the electoral vote of any in James City county, Virginia, a few days of the States, and the powers of the President of the Senate in reference to the counting of the vote are purely ministerial, and any attempt of Congress, as set forth in the bill, is entirely unauthorized and outside of the Constitution. Congress has no more waylaid him, and shot him as he was driving Road should prove a failure. But beyond power, he contends, to reject the votes of the Southern States than those which remained uniformly loyal. The whole message (says the American) strikes us as one of the most defiant of the public documents yet trial. written by Mr. Johnson. Congress made short work of it. After its reading is both Houses the bill was again passed by the requisite two thirds vote, and is now a law.

in total darkness last night, in consequence ue as long as she shall remain unmarried. of the workmen of the gas works striking. Fortunately but few burglaries occurred -To-day the gas company accoded to the workmen's demand of twenty five per cent. iberease.

President Johnson on Saturday sent Message to Congress proposing several a mendments to the Constitution. The first is a clause for the election of President and Vice President through the intervention of electors of the several States, instead of direcily by the people. The danger of a de feat of the popular choice would be greatly increased, he argues, if the House of Repre-GREAT MORTALITY .- The Phis. Ledger sentutives should undertake arbitrarily to reof Saturday last contained, one hundred and ject the vote of a State on the ground that it had not complied with some condition -He therefore feels called upon to revive and urge the recommendation made by President Jackson on that subject, and to sugest a form of amendment to the Jonstitution. He also suggests a change in the provision for Gengrals Grant, Sherman, Sheridan filling a vacancy in the Presidency, taking Department should be designated, rather than an officer of the Legislative or Judicial Departments. He suggests that the duties of the Presidency would devolve more apthat the Legislature of the State had ratifi. propriately on the head of one of the Executive Departments. He also recommends a change in the mode of election of United The secondrels who undertook to rob States Senators; that they should be elected the express train at Seymour, Indiana, on by the people instead of by the Legislatures the 10th inst., were taken from the cars of the several States. Also, that the term while on their way to Brownstown, Indiana, of the Judges of the United States Courts for trial, and hung to the limbs of trees in should be limited to a number of years. He suggests that these subjects should receive the attention of Congress, and be submitted to the people. The Message was referred to the Judiciary Committee in each House.

> wea. The following is part of the first section of the Tax Bill, relating to spirits, just parsed by both Houses of Congress:

"Section I. Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled. cents on each and every proof gallon, to be paid by the distiller, owner or person having possession thereof before removal from distillery ware-house; and the tax on such spirits shall be collected on the whole numfractional part of a galton in excess of the competitor. number of gallons in a cask or package, shall be taxed as a gallon."

TRACEDY AT ALTOONA .- Thomas Merklein, of Mechanicsburg, was employed in the Pennsylvania railroad shops at Altoona, where he labored for a considerable time.votedly attached and finally the two were betrothed, but, from some cause Miss S. recently saw proper to break the engagement. Merklein made repeated efforts, since, to obtain her consent to a union, but without avail. On Friday evening last he quit work as usual, but did not return next morning. tained a private interview with Miss S. He again endeavored to gain her consent to marry him. She refused, at the same time stain New York during three days last week ting her cause for so doing, whereupon Merk-Immediately after firing, he turned the pisentered her arm near the shoulder.
