

work all in neatly. It will also hem the edge of unbleached muslin without trimming off the fringe.

3. It has the best attachments for Hemming, Felling, Tucking, Cording, Ruffling, Braiding, Binding, and Trimming, ever put on a Sewing Ma-

chine. 4. It is the fastest running Machine in the world and runs the easiest. 5. It does not take six months to learn to use it.

It is so simple that a child can use it.

6. It will out-wear any two other machines you can name, and hence the most durable. 7. It does its work equally well, at fast or slow

rates of speed.

8. It cannot be got out of order by sowing. With these FACTS, we invite you to come and

see for yourself, and can assure you that after ten years practice with Sewing Machines, we know by practical experience which Machine to sell and

which to recommend; and can say that you will find it to your own interest to see these before ma-

king a purchase. Parties will please leave their orders with the

undersigned who will promptly fill them. THOS. J. FILBERT, Agent. june 19-tf.

August 7-9w. DAVID Y. HADE,

# TO THE LADIES!

M. C. RESSER would respectfully announce to the citizens of Waynesboro' and vicinity that she still intends to carry on the Millinery busthat she still intends to carry on the Minimery cus-iness in all its branches and don't intend quitting "as has been reported," but expects to carry on more extensively than ever. She also intends car-rying on MANI'UA MAKING in connection with her other business; having had considerable expe-rience in both she flatters herself, that she will be able to give satisfaction to all. Returning thanks for liberal patronage given her heretofore, she hope for a continuance of the same in the future. March 20-if.
