MELANCHOLY OCCURRENCE .- Our community on Sunday morning last was shocked by the aunouncement that John Lecrone, side of wagon next Gordon's house; deceasson of Mr. Sam'l Legrone of this vicinity, had ed took the opposite side. Daniel Legrone, dent, Mr. A. Barr Vice President, and Mr. been shot and almost instantly killed the night previous upon the turnpike not far from his father's house. Young Lecrone in had attended a Democratic meeting at Green. ing from Greenesstle; about 30 feet shead castle, and on their return came up with all of Greencastle, on their way home from the Republican meeting held in this place, It appears some of the parties on horseback We met the party in spring wagon at Gorstruck the torches carried by those in the don's. Benner gave himself up to the authorities at heved to be one George Benner, of the Bo-Greencastle, and was taken to Chambersburg rough of Greencastle, in said County, said and committed to jail. We are told that bullet striking the deceased in the forehead, Benner since the fatal occurrence has manifested great distress of mind.

Young Lecrone is said to have been a quiet young man, and was not one of the molesting parties. This community and the public generally deeply sympathise with the afficited parents and other triends of the deceased.

An inquest was neld on the body of the deceased on Monday morning, when the following testimony was taken-and-the-annexedverdict rendered:

Inquest held at the house of Samuel Lecrone, father of deceased, by D. B. Russell,

Jurors - II Stonehouse, foreman; Jeremiah Gordon, John Zody, Jacob Hershey, Samuel B. Snively and Henry Besore. Physicians present .- Drs E. A. Herring, John J. Oellig and William Wright.

Drs. Oellig, Wright and Herring swoon : -Made a post mortem examination; found that a pistol bullet had entered the frontal bone 14 inches above the left eye, passing obliquely through the brain, striking the parietal bone near its centre, passing downward and lodging in the base of the brain. There was extravasation of blood along the line of the bullet. Portions of the inner table of the skull were found lying in the anterior portion of cerebrum.

The meeting passed off peaceably and quietly, but during its progress a disturbange was created in another part of the town by some dissipa ted parties, in which, we learn, our High Constable, Mr. John H. Miller, in attempting to maintain order, was knocked down and considerably bruised, Such proceedings on public occasions should not be tolerated and we trust the instigators of it will not be permitted to go unwhipped of justice.

At times like the present when political excitement runs high, prominent men of both parties upon public occasions should interest themselves to have order maintained. A word of caution from such persons would oftentimes prevent serious disturbances.
