Dr. P. Fahrney's celebrated Blood Searcher or Purifier is a medicine that can be recommended to those who are afflicted, having used it in our own family and furnished our friends with the article; we can, therefore, from experience say that it is a medicine possessing medicinal properties. Being a mild purgative, it is well kept in the family where they are children or those subject to colds or other sickness. It is compounded from medicinal roots, leaves, Bark, Seeds and Berries, which are said to be entirely free from poison. We are personally acquainted with the proprietor who was our family Physician for several years, and we were at one time raised from a bed of affliction under his judicious treatment. -Order Family Connection.

GOLD-MEDAL SEWING MACHINE.

PATENTED IN AMERICA AND EUROPE. A. F. Johnson's Improved Gold Medal Double Thread Sewing Machine combines the GREATEST SIMPLICITY IN CONSTRUCTION, with the GREATEST CARE, DURABILITY AND DURABILITY IN OPERATION.

The original of this machine, which was placed on exhibition with some forty others, in the Mechanics Fair, in Boston, in 1860, was pronounced superior to all others, and received the highest prize. A Gold Medal, the only one conferred on any inventor of Sewing Machines was awarded to the inventor.

The Gold Medal makes less noise than any other two-thread Machine while in operation. The trouble often experienced in setting the needle in other machines is avoided in this, as the needle is set without difficulty. This is a feature of great value, as every operator well knows.

This is the most simple and reliable two-thread Sewing Machine in the world. The power of its driving machinery having been greatly increased, has increased its speed in operation, and better adapted it to the heavier classes of work.

Several other improvements have been made, such as the manner of holding the spool - regulating the tension - operating the handle, etc., - each adding to the value of the machine.

EVERY MACHINE IS WARRANTED FOR ONE YEAR. It is put up in every variety of style desired, from \$43 to \$100. The Gold Medal Machine will do any of the following kinds of work: SEAMING, TUCKING, QUILTING, EMBROIDERING, FELLING, BRAIDING, STITCHING, BINDING, HEMMING, &c. &c.

If you want a "Machine" that excels all the rest, Secure the "GOLD MEDAL" for that is the best, though many "Machines" in the market there are. With this for a guide, you will not be deceived. It does all the work with such ease, and so noise, Who'er shall possess it, will save a prize! It has points of merit in no other we've seen. Then purchase the best, The "Gold Medal Machine." M. C. DEATRIC, Agent for Franklin County.
