DR. P. FAHRNEY'S
PAN-A-CE-A
BLOOD SEARCHER OR
DR. P. FAHRNEY'S
 celebrated Blood Searcher or Panacea, is a medicine that we can recommend to those who are afflicted, having used it in our own family and furnished our friends with the article; we can, therefore, from experience say that it is a medicine possessing rare medicinal properties. Being a mild purgative, it is well kept in the family where there are children or those subject to colds or other sickness. It is compounded from medicinal Roots, Leaves, Berries, and Berries, which are said to be entirely free from poison. We are personally acquainted with the proprietor who was our family Physician for several years, and we were at one time raised from a bed of sickness under his judicious treatment.—*Christian Family Companion.*
FAHRNEY'S BLOOD SEARCHER—From our personal acquaintance with Dr. P. Fahrney, and from the reputation of the above named medicine in the community where he lives, we are cheerfully recommended to a fair trial for all who may need a PANACEA for the physical maladies of mortality, until the great Reward for all diseases shall be found in the leaves of the tree of life.—*Prophetic Watchman.*

FACTS ARE STUBBORN THINGS

WE desire to call the attention of the people of Waynesboro', and surrounding country to the following FACTS:—1. The
SINGER SEWING MACHINE
Is the best for Family Use.
 2. It has the best Hammer ever put on a Sewing Machine; commencing at the corner of the work, and turning a very pretty hem that will not wash out. It will hem into a square corner and out; around an abrupt curve; into a scallop, and turn the work all in neatly. It will also hem the edge of unbleached muslin without trimming off the fringe.
 3. It has the best attachments for Hemming, Felling, Tucking, Cording, Ruffling, Braiding, Binding, and Trimming, ever put on a Sewing Machine.
 4. It is the fastest running Machine in the world and runs the easiest.
 5. It does not take six months to learn to use it. It is so simple that a child can use it.
 6. It will out-wear any two other machines you can name, and hence the most durable.
 7. It does its work equally well, at fast or slow rates of speed.
 8. It cannot be got out of order by sewing.
 9. With these facts, we invite you to come and see for yourself, and can assure you that after ten years practice with Sewing Machines, we know by practical experience which Machine to sell and which to recommend; and can say that you will find it to your own interest to see these before making a purchase.
 Parties will please leave their orders with the undersigned who will promptly fill them.
THOS. J. FILBERT, Agent.
