DR. P. FAHRNEY'S PAN-ACE-A BLOOD SEARCHER OR

"Dr. P. Fahrney's celebrated Blood Searcher or Panacea" is a medicine that we can recommend to those who are afflicted, having used it in our own family and furnished our friends with the articles we can, therefore, from experience say that it is a medicine possessing rare medicinal properties. Being a mild purgative, it is well kept it always in the family where there are children or those subject to colds or other sickness. It is compounded from medicinal roots, leaves, bark, roots and berries, which are said to be entirely free from poison. We are personally acquainted with the proprietor who was our family Physician for several years, and we were at one time raised from a bed of affliction under his judicious treatment.—"Christian Family Companion."
"FAHRNEY'S BLOOD SEARCHER"—From our personal acquaintance with Dr. P. Fahrney, and from the reputation of the above named medicine in the community where he lives, we can cheerfully recommend it to a fair trial to all who may need a PANACEA for the physical maladies of mortality, until the great Panacea for all diseases shall be found in the leaves of the tree of life.—"Prospective Watchman."
