QUICK WORK -The Lancaster Express of Tuesday says: The three-story brick house, which Mr. Mishler is creeting in Middle street, which was to have been completed from foundation to roof, inside and out in thirty hours, it is expected will be finished this evening, making the time twenty hours instead-of thirty. At 11 o'clock this morning the roof was on, and the way things were progressing at that time there was every indication that the whole thing would be comp'eted at the hour for stopping work to-day, and the house ready for occupancy to-morrow. The brick layers completed their work in twelve hours, including one hour lost in waiting for brick. Thirty-nine thousand brick were used, and the ten bricklayers averaged four thousand in that time. The plasters and carpenters are away ahead of time, and Mr. W. H. Pool, the painter, is confident that he can put on the finishing touches before sundown. A large number of persons visited the scene tc-day.

DISTANCE AND FARE, -- The distance from Harrisburg to San Francisco, by Chicago and Omaha, and the Pacific railways, will be about 3,400 miles.
