10 On Monday night, Military Hall, in Paterson, N. J., was struck by lightning, which invaded a ball-room in which there was a dance going on. The lightning ran under a long bench which was filled with girls, and overturned the whole lot, upsetting the girle, face downward, into the middle of causing great consternation. One man-had -all-the-hair burnt off bis head.

We see it stated that the Rev. Dr. Robert J. Breckenridge of Ky., one of the leading men in the New School Presbyterian Church, is violently opposed to uniting the Old and New School Churches. The basis of upiting has been agreed to by both General Assemblies, but the union has not yet been consummated, and will not be until the meeting at Pittsburg, November next .-Meantime those who are opposed to the reunion will do all in their power to defeat the project, but the unanimity with which both Assemblies voted to unite, render it probable that the opposition to the reunion move. ment will not have much effect.
