

VILLAGE RECORD. WAYNESBORO. Friday, October 15, 1869.

LOCAL MATTERS.

Gen. Banks is in Paris. Jefferson Davis arrived in Baltimore from Europe on Saturday last. A. T. Stewart has sold one shawl this season, worth \$5,700. Mrs. Andrew Johnson is not expected to live through the winter. Brick Pomroy is at the point of death. The Western Maryland Railroad suffered considerably by the late flood. It costs something to visit fashionable resorts. During the past season, 900 men at Cape May, paid \$125 a day for two rooms at a hotel. It has often been said that a fool and his money were soon parted. As evidence of the truth of the saying, it is stated that a man bought of a Saratoga jeweler a diamond ring, for which he paid \$11,500. The elections in Maryland for members of the General Assembly, Sheriffs, Surveyors, County Commissioners and School Commissioners takes place "on the Tuesday next after the first Monday in November," which will be the second day of the month. During the late storm Swift river, Oxford county, Maine, rose thirty-six feet, and caused a terrible amount of destruction of property, covering farms and sweeping away buildings. The flood has impoverished the people and rendered them homeless. On Friday night the town of Eastport was visited by a tremendous hurricane, smashing to atoms vessels, wharves and stores. Twenty-seven vessels in the bay were swept ashore, and two—the schooner Rio and an unknown bark—went down with all hands on board. The towns of Grand Menan, Lubec, Pembroke and Perry suffered heavily, and the entire loss is estimated at \$5,000,000. THE AVONDALE FUND.—The March Chaucer Gazette says: The Board of Directors of the Avondale Relief Fund met at Plymouth on the twentieth of last month, and appropriated for the first year \$200 to each widow. The orphan children—male under 14 and female under 15—receive \$100 during the same period. Parents or sisters who were dependent on the labor of any of the victims, are to be paid \$200 each. The older children—boys over 14 and girls over 16 are to receive \$300 each in quarterly installments, and afterward nothing more. An extra amount not to exceed \$5000 may be issued for the relief of persons not included in these provisions. The first year's expenditure, according to this plan, is expected to reach \$40,000. The balance of the Fund is to be invested where it will yield a good interest. One-third of it will then be set apart for a widow's fund; and two-thirds as an orphan's fund. When a widow marries, one half of her portion shall revert to the Widow's Fund. The families of Williams and Jones, the heroes who sacrificed their lives in the attempt to rescue their fellow, are to share equally with those of the others. The fund is expected to reach \$200,000, and it is estimated this will allow the proposed disbursements to the widows for about eight years, and that the children will receive \$500 each upon arriving at the period when the quarterly stipends cease. CROPS OF THE YEAR.—The report of the Department of Agriculture for August and September estimates the yield of cotton at two million seven hundred and fifty thousand bales. There is a reduction in the crop from the Carolinas to Alabama, and a material increase from Mississippi to Texas. Wheat yields bountiful returns to the farmer. The only states showing a decrease are Illinois, Michigan, Iowa, and California. The Western wheat is of good quality and that of the South is decidedly superior. Corn does not make as good a show as other crops. It has suffered various misfortunes in all sections. The only States that now show an average condition are Nebraska, Kansas, Florida, Louisiana, Texas and Arkansas. It will be rather surprising news to many, to hear that there will be no material reduction in the sugar crop of Cuba for the present season. The production of that staple export there, this year, is estimated at 3,318,000 boxes of four hundred and fifty pounds each. The molasses crop will amount to 265,000 hogheads. Notwithstanding the distressed condition of the country, the actual amount produced this year will be about seven-eighths of the total product of last year. Ex-President Franklin Pierce died at his residence in Concord, New Hampshire, on Friday last, of inflammation of the stomach, aged 65 years. President Grant announced the death in an official proclamation and as a mark of respect to the memory of the deceased, ordered the Executive Mansion and the several Departments at Washington to be draped in mourning, and all business to be suspended on the day of the funeral. Andrew Jackson was a member of the Convention which framed the first Constitution of the State of Tennessee, and signed his name to it as boldly as John Hancock did to the Declaration of Independence. That Constitution gave the Free Negroes of Tennessee the right to sue.

Russell & Son are prepared to put up house and barn spouting; also tin roofing and warrant all their work to give satisfaction. TOWN ELECTION.—The following Borough officers were elected on Tuesday: Chief Burgess, Geo. Harbaugh; Town Council, J. F. Johnston, David Hahn, F. Fourtman, J. Beaver, T. J. Filbert; High Constable, Jacob Breneman. BIG POTATOES.—Dr. T. D. French exhibited in our office the other day two monster Peach Blow Potatoes, one weighing one pound and six ounces, the other one pound and four ounces. They were taken from the Doctor's lot, and are certainly fine specimens. CLEAN THEM.—As a guarantee against fire, and to secure good draughts, our chimneys ought to be thoroughly cleaned and swept before the stoves are put up. A neglect of this important matter results in numerous accidents, at times destruction of life and property. ELECTION DAY.—Tuesday last was one of the most disagreeable days experienced in this region for a long time, a rain storm prevailing almost without intermission until after the polls were closed, and consequently the vote was considerably short of former elections. The election passed off quietly until after nightfall, when several hand to hand encounters took place between some of the belligerent politicians. FARM SOLD.—Wm. Adams, auctioneer, on the 5th inst., sold the farm belonging to Samuel Fisher, adjoining Shady Grove, containing 70 acres, for the sum of \$160 per acre. Purchaser, Mr. Solomon Baker. On Saturday last Mr. Adams sold a story and a half brick house and lot of ground on Leitersburg street, in this Borough, belonging to Mr. Fisher, for the sum of \$650. Purchaser, Levi Sanders. POTATOE YIELD.—Mr. Solomon Stamy, of Dry Creek, Iowa, formerly of this vicinity, informs us that he raised this season from three ounces of Early Rose Potato fifty one pounds, and one bushel of Early Goodrich yielded him fifty bushels. Mr. Daniel Senger of the same place planted seven ounces of the Early Rose, which yielded him one hundred and fifty-two pounds. RESULT OF THE ELECTION.—Up to the time we go to press nothing very definite as to the result of the election in this State on Tuesday can be ascertained. The Republican papers claim a majority of 5,000 for Gov. Geary, and a majority in both branches of the Legislature. The democratic ticket in this county is elected by about 300 majority. In Ohio 10,000 majority is claimed for the Republican candidate for Governor. FATAL ACCIDENT.—Dr. J. A. McClay, of Greenvillage, on Friday evening last was thrown from a horse he was riding on the Chambersburg Fair ground and had his skull fractured, from the effect of which he died on Monday last. EXTENSIVE SALE.—We direct attention to the extensive sale of personal property belonging to the estate of Abram Barr, dec'd, which is advertised to be sold on the 2d and 4th days of November next. FOR SALE.—A desirable property, house and lot, in Waynesboro. For particulars inquire of the printer.

From our friends, who were there we learn that the entertainment was all that could be desired and all were delighted with the manner in which the evening was spent. The floral display at the table on this occasion was not less pleasing to the eye than the viands to the palate. With the music of the Brass Band and the songs in which the company joined, nothing was wanting to complete the pleasures of the guests. Many happy returns of this anniversary to our kind friend. They now propose to disband and connect themselves again with that body. The united Synod will number upwards of fifty Ministers and will embrace all the Lutheran Churches in the State of Maryland.
