**THE MORNING GLORY FOR '69.**

For sale at W. A. TRITLE'S new Stove and Tin Store. He has on hand a large stock of the above stoves, all of the late improved kinds.  
 There is added to the Morning of this year an oven, which is neat in appearance. It is a good Baker. You can heat Irons, Bake, Boil, Roast, Stew, and it does not interfere with the operations as a Parlor Stove.  
 As a regard to the best of some Stove Dealers, who say that their particular stove takes less coal and gives more heat than the Morning Glory, you can put that kind of talk down as a *Blow-Well*, as the Morning Glory has been sold (in this part of the country) for four years, and in that time I have put out over three hundred of them, and never had to take one back because it would not do its work or it was not what I sold it for. Now that cannot be said of any other stove ever offered in this market. That is the proof which is the stove.  
 I have other styles or heating stoves for coal or wood. Heating Furnaces put up and warranted. My Cook Stoves are of the best in market for coal or wood, all warranted good Bakers. Also a new Parlor Cook stove, something that can't be excelled.  
 Call and see me. You will find my stock of Tin Sheet-Iron and other wares of the best kinds, and at low rates.  
 On hand, the best Clothes Winger in market—Also a good and cheap Washing Machine.  
 Roofing and Spouting done of the best stock and at short notice. Job work of all kinds in my line done at low rates. The only place in town where you can get your copper work done, being the only Copper Smith in the place.
