Conductional The Senate was not in session on Saturday; and in the House the subscription or advertising are once more inbession on Saturday; and in the House the subscription or advertising are once more in- posed, daily and monthly to danger by first prayer for some time, the double the House of a morning penting in excellent aplifies and properly are breakfast spatingly. After AGRES KIRKPATRION, aged 48 years, of Mr. lagersol, authorizing an additional upon us. issue of legal tender notes to the amount of 844,000,000 For the third time Mr. logbreol introduced his bill (which it will be remembered was withdrawn by him on two former occasions, on account of some technical objection) and moved its reference to the Committee of Ways and Means. The first section of the bill authorises and directs the Secretary of the Treasury to have additional legal tender notes of the denominations beretotore issued, and in such proportions as he may deem best, to the amount of \$41,000,000, of which \$10,000,000 are to be issued within thirty days after the passage of this uct; \$10,000,000 within sixty days; \$10,000,000 more within ninety days and the remulaing \$14,000,000 within one hundred days. The second section directs the Secretary of the Treasury to purchase with such notes gold interest bearing bonds. and to carrel the same in the manner now provided by law. After some discussion the bill, on the motion of Mr. Garfiell, was referred to the Committee of Banklag and Chirefucy by a vote of 88 to 57.

In the Schate on Monday a bill was reported from the Judiciary Committee for the reconstruction of Georgia. The bill provides for the convenience of the old Legislature, including all the members declared efected by General Meade's proclamation. except such as are disqualified by the fourteenth amendment-the Legislature to be considered as provisional only until after fur. | near Greencestle, containing 104 acres, to ther action by Congress.

In the House a large number of bills were introduced, including as amendment to At the meeting of the Reconstitution the National currency act; to abolish the Committee of Congress on Saturday a letter franking privelege, to pension surviving was received from Governor Wells, the Re- soldiers of the war of 1812, and for the republican candidate for Governor at the re- admission of Virginia. A concurrent resocent election, urging the immediate admit lution for both Houses to adjourn from sion of the State and opposing the oxacting Wednesday, December 22 to Wednesday,

Mr Ward presented a monster petitition, signed by 72,000 persons, for recognition of the independence of Cubs. The Census DIDN'T WARE IT .- The Wheeling Rey bill was taken up and considered in commitister says that a well known jokist stopped tee of the whole, and at four o'clock the

THE JASE OF DR. PAUL SCHEPPE -One of the counsel for the prisoner, W. H. Mil ler, of Carlisle, has petitioned the Chief says "that his life is involved, and prays that It is stated that the Government had he shall not die without at least a hearing. loaned its credit to railroads to the extent of He therefore petitions for a review of his nearly 870,000,000, and has granted 185, application, and for a hearing in regard to 890,794 scree of public lands of 290,454 the errors assigned." Of this intended apsquare miles, equal to the combined area of plication the petitioner gave written notine Great Britain and France. We see, how- to the Honorable Attorney General of the
