islature. "Revolutions never go backward" -et the women remember that.

The lower house of the Rhode Island Legislature on Tuesday ratified the Rif-Senate having taken similar action last June Joseph Wyble, a respectable laboring man, king twenty nine in all, or one more than is nutting" in the woods on the mountain. needed to secure the Amendment.

as a State of the Union, passed the liouse of Representatives, on last Saturday, by a the bill and will sign is.

The Rev. Henry Ward Beecher has committed another of the acts which distinguish him from the level of ordinary human ity. Plymouth Church having recently voted that his present annual salary of \$12, 500, be increased to \$20,000, he declined from the pulpit the addition which was offered him.

ratified the Fifteenth Amendment, and on From the appearance of the latter it is Saturday similar action was taken in the thought that the chlidren existed for several Mississippi Legislature. Twenty-five States to peing benighted, and having lost their have now given their assent. Ohio will way were overtaken by physical exhaustion shortly be the twenty sixth, and but two and starvation, which resulted in death .more are needed, while there are four whose The bodies were removed to the home of affirmative action is certain.

The Congressional Temperance Socie-Colfax, Senator Wilson and other members of Congress; delivered addresses. Resolutions were adopted proposing a united and persistent effort by the friends of total abstineuce to form societies throughout the country on the 22d of February next.

STATE TREASURER .- At the joint session on last Wednesday for the purpose of electing a State Treasurer for the coming year. General W. W. Irwio, of Beaver, running as an independent candidate, was elected on the third ballot, over R. W. Mackey, of Allegheny, the regular caucus nominee. As both gentlemen are Republicans, this result caused quite a flutter in political circles and has led to some very ugly charges against certain members of the Sanate and House who refused to support the regular nominee

. no. A State Temperance Convention has been called to meet in Harrisburg on the 8th of February. Local organizations are requested to appoint and accredit delegates, Credentials will be required from all desiringstostake part in the deliberations of the Convention. Each delegate-is requested to bring with him \$2 as a contribution to the expenses. Delegates, who desire reduced Railroad fare, should at once notify Luther S. Kauffman, Minersville, Schuylkill county

two children, and all supposed his to be a the right place. hoppy lamily. A few days since he disappeared, and with him also disappeared a Miss Johnson, rich, beautiful, of course, and hitherto respectable-a promising member of his fluck. He leaves behind him wife and children; the loving parents and brothers and a happy home. Detectives and the brothers of the girl are on the frack of this blot upon religion and state upon acciefy.

It was 4 o'clock when they left home, so that their failure to return before nightfall ADMISSION.-The bill to admit Virginia occasioned but little alarm After that, however, their continued absence rendered the distracted parents almost frantic. The fearful rain storm which prevailed during the vote of 99 to 95. It is thought the bill will night and part of the next day fearfully inpass the Senate by a decisive majority. It tensified the feelings of the bereaved father is said President Grant cordially approves and mother, ipasmuch as their little darlings had not yet been seen nor heard from

On Monday a scarch was made by a number of the country people, but nothing could be discovered of the whereaboute of the missing children; whose ages were respectively ten, seven and five years. The entire neighborhood at length joined in the search, and it was not until Tuesday last that the mystery was solved.

The innocent trio were found lying dead, side by side, on the south side of the mountain, some ten or eleven miles from their home. It was quite thickly covered with their heartbroken parents, for whom the entire community evince the deepest sympathy.

In the First Branch of the Baltimore ty held a meeting at Washington on Monday City Council, on Monday the ordinance for evening on which occasion Vice President the endorsement of the bonds of the Western Maryland Railroad by the city was passed the amount to be endorsed upon being increased to \$1,200,000. Amendments were adopted providing that if within six months after the ratification of the ordinance by the voters of the city the work upon the road between the city and Owings' Mills has not of the two Houses of the Legislature, held been begun, the City Register is directed to "withhold aid to the Company until the work has been commenced," and "that the work and repair shops of the railroad shall be located in or adjacent to the city."

> Despatches from the West show condition of weather prevailing there which even excels in its phenomena and rapid changes the remarkable state of that in this. locality. On Sanday night St. Louis was visited by a tremendous storm of rain, wind, lightning and thunder, the severity of which caused a panic in two theatres of the city .-A number of persons were injured in the erush, but none me reported killed. The storm extended throughout that section of country, and during its continuance the weather was quite warm, changing afterward to intense cold. The Ohio river is rising rapidly, and there are fears of an inundation along its banks. At Cave City, Ky., eight persons were killed by the tornado.
