Ayer's Cathartic Pills. For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by every-body as a cathartic, nor was ever any-before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and for more effective is so one of the property of the propert Perhans no one medi

purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cured them; those who have not, know that it cured them; those who have not, know that it cured them; those who have not, know that what it does once it does always—that it never fails through any fault or negglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all elimates; containing neither calomel nor any deleterious drug, they may be taken with safety by anybody. Their singar-coating preserves them ever fresh, and makes them pleasant to take, while being purely vegetable, no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscers to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organ- of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For Dyspepsia or Indigestion, Listlessmach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Billious Headauche, Sick Headache, Jaundice or Green Sickness, Bilsious Colle and Billious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

diseased action or remove the obstructions which cause it.

For Bysentery or Biarrhusa, but one mild dose is generally required.

For Bheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For Bropsy and Brepsical Swellings they should be taken in large and frequent doses to produce the offect of a drastic purge.

For Suppression a large dose should be taken as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
