But the fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority, as a cleaner over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically tested, in competierated by those unskilled in machinery-more durable, -threshing as much and yet cleaning betterwith less power and more comfort to hands than any other machine in use and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply the wants of all, we now make 4 sizes, viz; From a 2 Horse Railway or 3 Horse Lever Power, to a ten Horse Lever or steam power, with prices ranging from \$190 to \$360, without power. Scrottlous affection and disorders, which were aggravated by the scroftlous contamination until
they were painfully afflicting, have been radically
cured in such great numbers in almost every section of the country, that the public scarcely need
to be informed of its virtues or uses.
Scrottlous poison is one of the most debirnotive enemies of our race. Often, this unseen and
unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its
presence. Again, it seems to breed infection

In the latter, meercies may be suddenly deposited in the lings or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Barsaparilla is advisable, even when no active symptoms of disease appear. Persons afficted with the following complaints generally lind immediate relief, and, at length, cure, by the use of this SARSAPARILLA: St. Authomy's Kire, Rose or Erystoplas, Tetter; Salt Rheum, Scald Head, Ringworm, Sore Eggs, Sore Ears, and other eruptions or visible forms, of Serofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the rations Vicerous affections of the muscular and nervous systems. Disease, Fits, Epilepsy, Neuralgia, and the parions Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long-continued use of this medicine will cure the complaint. Leucorrhea or Whites, Uterine Ulcerations, and Forhale Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute directions for each case are found in our Almanac, supplied gratis. Rheumation and Gout, when caused by accumulations of extrapeous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundies, when arising, as they often do, from the rankling poisons in the blood. This SARSA-PARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listiess, Despondent, Sleepless, and troubled with Nerrous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.
