OLD GRIMES.

Old Grimes is dead, that good old man,
We ne'er shall see him more;
He used to buy from Alex. Leeds
All Spectacles he wore.
His heart was open as the day—
His feelings all were true—
From Leeds he bought a Clock one day
As many people do.

He lived at peace with all mankind—
In friendship he was true—
His coat had pocket holes behind—
His watch was nice and new.
(He bought this watch from Alex. Leeds,
'Twas made of silver ere),
He never wore a pair of boots
For thirty years or more.

But good old Grimes is now at rest,
Nor fears misfortunes frown;
He wore a double breasted vest,
The stripes ran up and down.
He modest merit sought to find
And pay it its desert,
Where Leeds held forth, to suit his mind,
Were buttons, for his shirt.

His neighbors he did not abuse,
Was sociable and gay,
He wore the largest size of shoes
And blacked them every day.
His knowledge hid from public gaze
He lately brought to view,
That's why she people now-a-days
All buy from "Alex.," too.

A new Sewing Machine he bought,
One that pleased his daughter's fancies;
He lived as everybody ought,
In easy circumstances.
His secret was to buy from Leeds,
As everybody can,
Thus saved his means and lived to be
A fine old gentleman.

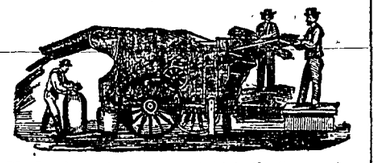
GEISER'S PATENT SELF-REGULATING GRAIN SEPARATOR, CLEANER, BAGGER AND POWERS



No Implement more important to the farmer than a FIRST-CLASS GRAIN THRESHER AND CLEANER—for none pays him so well and speedily.

The above cut shows the *ONLY GEISER MACHINE* now built *under the immediate eye* of the old inventors themselves, with all the additional improvements made during the past 18 years, and now with *first class workmen and material* this machine justly stands high up above all of its class. As a Thresher it is equal to the best, as a Cleaner it is superior to any *existing machine*: This is admitted by all honest competitors. Indeed it is the *only machine* that *really can*, by *one operation, thoroughly thresh and clean* grain *fit* for market. But the *fact* that grain *direct* from this machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its *superiority*, as a *cleaner* over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more simple—more easily understood and operated by those unskilled in machinery—more durable,—threshing as *much* and yet *cleaning better*—with less power and more comfort to hands than any other machine in use—and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply the wants of all, we now make 4 sizes, viz: From a 2 Horse Railway or 3 Horse Lever Power, to a ten Horse Lever power, with prices ranging from $190 to $360, without power. We also make the latest improved triple-geared Horse Powers suitable for each size machine ranging from $90 to $135, and all fully and fairly warranted. For further information send for Circular and Price List.

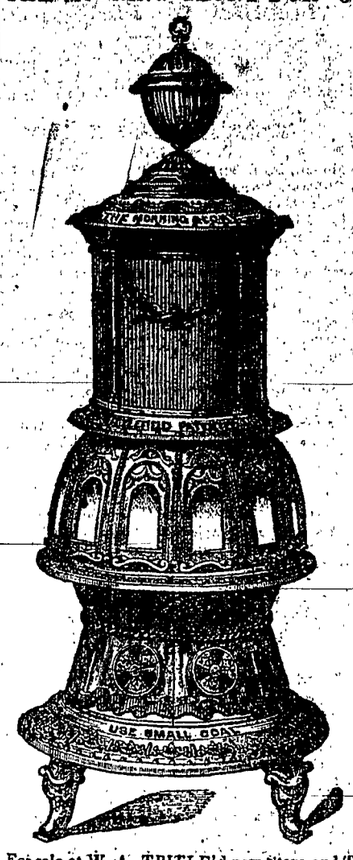
THE MORNING GLORY FOR '69.



For sale at W. A. TRITLE'S new Stove and Tin Store. He has on hand a large stock of the above stoves, all of the late improved kinds.

There is added to the Morning of this year an oven, which is neat in appearance. It is a good Baker. You can heat Irons, Bake, Boil, Roast, Stew, and it does not interfere with the operations as a Parlor Stove.

In regard to the blast of some Stove Dealers, who say that their particular stove takes less coal and gives more heat than the Morning Glory, you can put that kind of talk down as a *Blow-well*, as the Morning Glory has been sold (in this part of the country) for four years, and in that time I have put out over three hundred of them, and never had to take one back because it would not do its work or it was not what I sold it for. Now that cannot be said of any other stove ever offered in this market. That is the proof which is the stove.

I have other styles or heating stoves for coal or wood. Heating Furnaces put up and warranted. My Cook Stoves are of the best in market for coal or wood, all warranted good Bakers. Also a new Parlor Cook Stove, something that can't be excelled.

Call and see me. You will find my stock of Tin Sheet-Iron and other wares of the best kinds, and at low rates.

On hand, the best Clothes Wringer in market.—Also a good and cheap Washing Machine.

Roofing and Spouting done of the best stock and at short notice. Job work of all kinds in my line done at low rates. The only place in town where you can get your copper work done, being the only Copper Smith in the place.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this *SARSAPARILLA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears*, and other eruptions or visible forms of *Scrofulous* disease. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia*, and the various *Uterous* affections of the muscular and nervous systems.

Syphilis or *Venereal* and *Mercurial Diseases* are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long-continued use of this medicine will cure the complaint. *Leucorrhœa* or *Whites, Uterine Ulcerations*, and *Female Diseases*, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute directions for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout*, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion* or *Inflammation* of the *Liver*, and *Jaundice*, when arising, as they often do, from the rankling poisons in the blood. This *SARSAPARILLA* is a great restorer for the strength and vigor of the system. Those who are *Languid* and *Listless, Despondent, Sleepless*, and troubled with *Nervous Apprehensions* or *Fears*, or any of the affections symptomatic of *Weakness*, will find immediate relief and convincing evidence of its restorative power upon trial.
