Fahrney's celebrated Blood Searcher ex-Fanacea," is a medicine that we can recommend to to those who are afflicted, having used it in our own family and furnished our friends with the article, we can, therefore, from experience say that it is a medicine possessing rare medicinal properties. Being a mild purgative, it is well to keep it always in the family where there are children or those subject to coids or other sickness. It is compounded from medicinal Roots, Leaces, Barks, Essels and Reprien, which are said to be entirely free from poison.
