GEISER'S PATENT SELF-REGULATING

GRAIN SEPARATOR

CLEANER, BAGGER AND POWERS

No implement more important to the farmer than a FIRST-CLASS GRAIN THRESHER AND CLEANER—for none pays him so well and speedily.

The above cut shows the ONLY GEISER MACHINE now built under the immediate eye of the old inventor himself, with all the additional improvements made during the past 18 years, and now with first class workmanship and material this machine justly stands high above all of its class. As a Thresher it is equal to the best, as a Cleaner it is superior to any existing machine. This is admitted by all honest competitors. Indeed it is the only machine that really can, by one operation, thoroughly thresh and clean grain at the same time. The fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority, as a cleaner over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more simple—more easily understood and operated by those unskilled in machinery—more durable—threshing as much and yet cleaning better—with less power and more comfort to hands than any other machine in use—and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply the wants of all, we now make 4 sizes, viz: From a 2 Horse Railway or 3 Horse Lever Power, to a ten Horse Lever power, with prices ranging from \$190 to \$360, without power. We also make the latest improved triple-geared Horse Powers suitable for each size machine ranging from \$80 to \$135, and all fully and fairly warranted. For further information send for Circular and Price List. Responsible Agents wanted in territory not introduced. Address THE GEISER MANUFACTURING CO., WAYNESBORO', Franklin Co., Penna. jan 21-11

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has any thing won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has been held in higher esteem than any other medicine, as it has been known for its uniform character and power to cure the various affections of the lungs and throat, to have such a beneficial effect upon the system, to be so adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for violent consumption, and the dangerous effects of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease recently has been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its efficacy in the various disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral, the subject is cured. Singers and Public Speakers find great protection in its use. It is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses. So generally are its virtues known, that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Benighted Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does Cure, and does not kill. Containing neither Arsenic, Mercury, Bismuth, Zinc, nor any other mineral or poisonous substance, whatever it is in no wise injurious to the system. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our price is credited by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had failed.

Unacclimated persons, either resident in, or traveling through malarious localities, will be protected by taking the AYER'S CURE daily.

For Liver Complaints, arising from torpidity of the Liver, or an accumulation of bile, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, truly remarkable cures, where other medicines had failed.

Prepared by Dr. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.
