THE MORNING-GLORY FOR '69.

For sale at W. A. TRITTLE'S new Store and Tin Store. He has on hand a large stock of the above stoves, all of the late improved kinds. There is added to the Morning-Gloxy, of this year an oven, which is neat in appearance. It is a good Baker. You can heat Irons, Bake, Boil, Roast, Stew, and it does not interfere with the operations as a Parlor Stove.

In regard to the blast of some Stove-Dealers, who say that their particular stove takes less coal and gives more heat than the Morning-Gloxy, you can put that kind of talk down as a Blow-well, as the Morning-Gloxy has been sold (in this part of the country) for four years, and in that time I have put out over three hundred of them, and never had to take one back because it would not do its work or it was not what I sold it for. Now that cannot be said of any other stove ever offered in this market. That is the proof which is the stove. I have other styles or heating stoves for coal or wood. Heating Furnaces put up and warranted. My Cook Stoves are of the best in market for coal or wood, all warranted good Bakers. Also a new Parlor-Cook Stove, something that can't be excelled.

Call and see me. You will find my stock of Tin Sheet-iron and other wares of the best kind, and at low rates. On hand, the best Clothes Wringer in market. Also a good and cheap Washing Machine. Roofing and Spouting done of the best stock and at short notice. Job work of all kinds in my line done at low rates. The only place in town where you can get your copper work done, being the only Copper Smith in the place. Oct 1] W. A. TRITTLE.

Ayer's Hair Vigor.

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Bald or gray hair is soon restored to its original color, with the gloss and freshness of youth. Thin hair is thick- ened, falling hair checked, and bald- ness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sedi- ment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off; and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.

Prepared by Dr. J. C. Ayer & Co., PRACTICAL AND ANALYTICAL CHEMISTS, LOWELL, MASS.
