The merits of this Machine consist, in part, in the attachment of curved knives to the arms of the cut ting-wheel, the shearing cut across the mouth-piece the great power and directness of the blow, by which treble the volume of material is cut, with less power than is required by any other Machine; those combined with its durability and simplicity of construction, command public attention. Nothing lia ble to get out of order, but what a boy could remedy

with a pocket wrench.

County rights throughout the State of Pennsyl vania will be sold on the most reasonable terms. Persons desiring the right of said Machine will ad-

dress the undersigned.

The above Machine is now on exhibition at the office of the Waynesboro' Manufacturing Company Persons interested should call and examine it, for it is what every farmer should have. H.C. GILBERT,

Ayer's Sarsaparilla

FOR PURIFYING THE BESCH.

they were painfully afflicting, have been radically cured in such great numbers in almost every extended to the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous polson is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfectbing or that diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by emptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Karsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this SARSAPARILLA: St. Anthony's Fire, Rose or Erysipelus, Tetter, Satt Rhoum, Scald Head, Engueorm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspensia, Dropsy, Heart Disease, Fits, Epilepsy, Neurolia, and the various Ucerous affections of the muscular and nervous systems.

Syphills or Veneveal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long-continued use of this medicine will cure the complaint. Lencorrhwa or Whites, Uterine Ulcerations, and Famalo Diseases, are commonly soon releved and ultimately cured by its purifying and invigorating effect. Minute directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous maters in the blood, tyled quickly to it, as also Liver Complaints, Toryidity, Cangestion or Inflammation of the L

vincing evidence of its restorative power upon trial.
