

PATENTED SEPT. 21, 1860.

RYLAND'S PAT. CUTTER. The merits of this Machine consist in part in the attachment of curved knives to the arms of the cutting-wheel, the shearing cut across the mouth-piece, the great power and directness of the blow, by which the volume of material is cut with less force or friction, than by any other machine; these combined with its durability and simplicity of construction, command public attention. Nothing liable to get out of order, but what a boy could remedy with a pocket wrench.

HAVE you ever been in a crowd at a steamboat landing or railroad depot? If so, perhaps you have been warned to "look out for pick-pockets" and ninety-nine chances out of a hundred if the alarm was not from the very second-hand man who was watching for an opportunity to help himself to your watch or purse.

For sale at W. A. TRITTLE'S new Stoves and Tin Store. He has on hand a large stock of the above stoves, all of the late improved kinds.

There is added to the Morning of this year an oven, which is neat in appearance, it is a good Baker. You can heat, Irons, Bake, Boil, Roast, Steam, and it does not interfere with the operations of a Parlor Stove.

In regard to the best of some Stove Dealers, who say that their particular stove takes less coal and gives more heat than the Morning Glory, you can put that kind of talk down as a Howl, as the Morning Glory for four years, and in that time I have put out over three hundred of them, and never had to take one back because it would not do its work or it was not what I sold it for. Now that cannot be said of any other stove ever offered in this market. That is the proof which is the stove.

I have other styles or heating stoves for coal or wood. Heating Furnaces put up and warranted. My Cook Stoves are of the best, in market for coal or wood, all warranted good Bakers. Also a new Parlor Cook Stove, something that can't be excelled. Call and examine. You will find my stock of Tin Sheet-Iron and other wares of the best kinds, and at low rates.

On hand, the best Clothes Wringer in market. A good and cheap Washing Machine. Reading and Spouting done of the best stock and at short notice. Job work of all kinds in my line done at low rates. The only place in town where you can get your copper work done, being the only Copper Smith in the place. W. A. TRITTLE. Oct 11
