FAHRNEY & SON" on the front of the outside wrapper of each bottle, and the name of Drs. D. Fahrney & Son's Preparation for Cleansing the Blood, Boonsboro, Md., blown in each bottle. All others are COUNTERFEITS. Recollect that it is Drs. D. Fahrney & Son's Celebrated Preparation for Cleansing the Blood that is so universally used, and so highly recommended; it does not allow the Druggist to induce you to take anything else that they may say is just the same or as good, because they make a large profit on it.

RYLANDS PAT. CUTTER FOR CUTTING HAY, STRAW FODDER, &c.

The merits of this Machine consist, in part, in the attachment of curved knives to the arms of the cutting-wheel, the shearing cut across the mouth-piece, the great power and directness of the blow, by which treble the volume of material is cut, with less power than is required by any other machine; these combined with its durability and simplicity of construction, command public attention. Nothing liable to get out of order, but what a boy could remedy with a pocket wrench.

For sale at W. A. TRITTLE'S new Stove and Tin Store. He has on hand a large stock of the above stoves, all of the late improved kind. There is added to the Morning of this year an oven, which is neat in appearance. It is a good Baker. You can heat Iron, Bake, Boil, Roast, Stew, and it does not interfere with the operations as a Parlor Stove. In regard to the blast of some Stove Dealers, who say that the particular stove takes less coal and gives more heat than the Morning Glory, you can put that kind of talk down as a Blue-sneer, as the Morning Glory has been sold (in this part of the country) for four years, and in that time I have put out over three hundred of them, and never had to take one back because it would not do its work or it was not what I sold it for. Now that cannot be said of any other stove ever offered in this market. That is the proof which is the stove.

Call and see me. You will find my stock of Tin Sheet-Iron-and-other-wares-of-the-best-kinds, and at low rates. On hand, the best Clothes Wringer in market—Also a good-and-cheap-Washing-Machine. Roofing and Spouting done of the best stock and at short notice. Job work of all kinds in my line done at low rates. The only place in town where you can get your copper work done, being the only Copper Smith in the place. Oct 1] W. A. TRITTLE.
