

# FAHRNEY'S BLOOD CLEANSER OR PANACEA

PREPARED AND SOLD BY  
**P. Fahrney, M.D. & Co.**  
CHICAGO, ILL.

**DR. P. FAHRNEY'S BROS. & CO.,**  
WAYNESBORO, PA.

The above will at once strike the eye as the Trade Mark of the genuine "Dr. Fahrney's Blood Cleanser or Panacea," of which Dr. P. Fahrney, of Chicago, Ill., is the sole proprietor. The great demand from the Middle and Southern States for this medicine, made it necessary to open another Laboratory at Waynesboro, Pa., which is conducted by Dr. P. Fahrney's Bros. & Co. Since then the "Blood Cleanser" has been grossly misrepresented by other parties, and what makes it still more painful is the fact that the name of our deceased relative (the late Dr. D. Fahrney) is prostituted for the purpose of carrying out these diabolical schemes, when it is well known to very many that he was consigned to an untimely grave several years ago; at a time, too, when his successors were not able to take his place in the profession, hence his name is used to say evil things. One year after his death, the following notice was circulated against the "Blood Cleanser" and "Blood Purifier":

"Notice.—We wish to inform the public that the 'Preparation' now being out—and extensively advertised in many newspapers, etc., purporting to be old Dr. Fahrney's Blood Preparations, &c., are none of his, and are not countenanced by our firm at all. We neither advertise or put out any of our preparations."  
D. Fahrney & Son.  
"Dec. 10, 1868."  
The above is what Dr. Fahrney is made to say one year after his death, and in another circular just published, and in some newspapers, he is again made to say (two years after his death) something about these preparations. This undoubtedly has reference to Fahrney's Blood Purifier, prepared by Dr. J. Fahrney, Philadelphia, and Fahrney's Blood-Cleanser or Panacea, prepared by Dr. P. Fahrney, Chicago, Ill., and also by his brothers at Waynesboro, Pa.

In order to protect ourselves and the public against such misrepresentations, it becomes necessary to say that old Dr. Fahrney left his practice to his three sons. The oldest, Dr. J. Fahrney, located near Waynesboro, Pa., where he practiced his profession until within eight days before his death, which was brought about by much business. His practice there, of course, was then left to his sons, and the "Blood Preparation" was put up in liquid form by Dr. J. Fahrney, Jr., eighteen years ago, and was brought to its present high degree of perfection by his brother, Dr. P. Fahrney, of Chicago. These two are now the oldest physicians in the Fahrney family, and are willing to be qualified before any Notary Public that their preparations are GENUINE. It must, indeed, be humiliating for those who are mere sales in the profession, after making such efforts to injure our business, to come out and imitate the name, when they are able to hold the lucrative practice left them by the late Dr. Fahrney.

W. A. TRITTE.

## EVERYBODY COME AND SEE THE IMPROVED ORIENTAL BASE BURNER.

For sale at W. A. TRITTE'S new Stove and Tin Store. He has on hand a large stock of the above stoves, all of the late improved kinds. There is added to the Morning of this year an oven, which is neat in appearance. It is a good Baker. You can heat Iron, Bake, Boil, Roast, Stew, and it does not interfere with the operations as a Parlor Stove. In regard to the blast of some Stove Dealers, who say that their particular stove takes less coal and gives more heat than the Morning Glory, you can put that kind of talk down as a *How-how*, as the Morning Glory has been sold (in this part of the country) for four years, and in that time I have put out over three hundred of them, and never had to take one back because it would not do its work or it was not what I sold it for. Now that cannot be said of any other stove ever offered in this market. That is the proof, which is the stove. I have other styles of heating stoves for coal or wood. Heating Furnaces put up and warranted. My Cook Stoves are of the best in market for coal or wood, all warranted good Bakers. Also a new Parlor Cook Stove, something that can't be excelled. Call and see me. You will find my stock of Tin Sheet-iron and other wares of the best kinds, and at low rates. On hand, the best Cloth or Wringer in market. Also a good and cheap Washing Machine. Roofing and Spouting done of the best stock and at short notice. Job work of all kinds in my line done at low rates. The only place in town where you can get your copper work done, being the only Copper Smith in the place.
