## TAKE THIS HOME--READ AND REFLECT

There are many good medicines in the world, we hope, for the sake of humanity, but medicine that is really perfect, because it is aperient, tonic, laxative, stimulant, sudorific and alterative at the same time, is

## FAHRNEY'S

CELEBRATED

With this rare medicine in your house you can do without purging by means of Pills of Powders. You can do without Salts, Caster Oil, Citrate of Magnesia, Senna or Manna, and so on. You want none of these; the Blood Cleanser is a substitute for the whole of them. And what is

### May be Taken with Safety and Comfort

By the most delicate woman as well as the robust man. It is very palatable, and therefore easily administered to children. It is the only vegetable preparation existing which will answer in the place of Calomel, regulating the action of the Liver without making you a life-long victim to to the use of Mercury or Blue Pills. It will open the bowels in a proper and wholesome manner

## It is one of the Best Medicines of the age

And when taken, will keep all the secretions in a healthy condition; compel all the organs to do their duty with regularity; purify the blood, and secure that inestimable blessing—Sound Hearth.

## THERE IS NOTHING LIKE FAHRNEY'S BLOOD CLEANSER

For the cure of all disorders of the Stomach, Liver, Bowels, Kidneys and Bladder, For Nervous Diseases, Headache, Costiveness, Indigestion, Bilious Fever, and all derangements of the internal viscera. You have in this medicine a PANACEA for some of the most painful and dangerous of

### AS A FEMALE REGULATOR

It has no equal in the world. Married ladies, who never have had children seldom know the cause of their unhappy condition, which is very often depending upon a faulty state of the *Uterina*: Organs, and which can only be removed by the use of suitable remedies.

#### AN OUNCE OF PERVENTION IS WORTH MORE THAN A POUND OF CURE.

The PANACEA will not only cure old standing and malignant complaints, but is one of the best preventives of such disorders ever offered to the world. You can avoid severe attacks of acuto diseases, such as Cholera, Small Pox, Typhoid, Bilious, Spotted and Intermittent Fevers, by keeping your blood purified. The different degrees of all such diseases depend altogether upon the condition of the blood, for if this vital fluid is deranged you will take a disease much more readily than otherwise, and the suffering will be in proportion to the amount of foreign matter in the blood. This is so reasonable that we need not here make any illustrations.

#### THIS MEDICINE IS HIGHLY RECOMMENDED

For all manner of chronic or old standing complaints, such as Scrofula, Tetter, Salt Rhaum, Rheumatism, &c. Scirrhus or Cancer, and Cancerous Tumors, may be often removed from the system by the purifying effect of this medicine, if it is taken before they get a deep-seated hold upon the sys-
