

VILLAGE RECORD.

WAYNESBORO.

Thursday October 27, 1870.

SALE REGISTRY.—The following sales of Real and Personal property are now to be found in our advertising columns: Wm. Stall, personal property, near Quincy, October 28. Nathan Brumbaugh & Wm. A. Reid, farm, near Greencastle, October 29.

Indiana elects the Democratic State ticket by a small majority. Legislature in doubt. Iowa and Nebraska are both Republican, returning solid Republican delegations to Congress.

Hon. Edward McPherson's friends will be glad to learn that so far from being ill at present his health has been greatly improved, and is now better than it has been for a year past.

Daniel McFarland, prominent some months ago in the shooting of A. D. Richardson, was arrested in New York, one day last week, and committed to jail for ten days for drunkenness. He alleges that his wife's conduct has driven him to distraction.

Governor Soot, of South Carolina, telegraphs to the Secretary of War that an outbreak occurred at Laurens Court House on Thursday last. A band of rebel whites, in the interest of the so-called Reform party, attacked and destroyed the ballot-boxes of the election held the day previous, and shot 3 officers of the State police.

EARTHQUAKE.—A violent shock of earthquake was felt in New York at 11:15 A. M. of the 20th inst. The shock was felt in most of the principal towns and throughout the country in New York, at the same time, and at Montreal, St. Catherine and Quebec Canada, Boston, Mass; Burlington, Vt.; Portland, Bangor, Lewistown, Me.; and Providence, R. I. Also—in the west, at Cleveland and Cincinnati, and in our own State at Scranton and Titusville.

The occurrence has naturally caused great excitement. In Schenectady, the buildings swayed so as to be perceptible with the naked eye. The inhabitants rushed terror-stricken into the streets, and it is said that the excitement was intense. In Saratoga, houses were shaken and some buildings much damaged.

MR. LINDEN MILLS.—This desirable Mill property and farm, near town, owing it is probable, to the exceedingly disagreeable state of the weather was not sold on Thursday last. The owner, Mr. D. H. Garver, informs us that both are now in market at private sale. Mr. G's P. O. address is Ringgold, Wash. Co., Md.

THE RAILROAD.—Last week we announced the sale of the Gettysburg Railroad to Mr. Malby, for \$181,000. The decree of sale requires the purchase money to be paid within 30 days after the sale. The fund will be distributed pro rata among the Bondholders, who will realize from this fund and the surplus now in the hands of the Sequester about 90 cents on the dollar.

LOCAL MATTERS.

See sale advertisements. NOTICE.—As far as we can yet see Clarence Beaver has the best Boots in our town. Beware of this shoes at this season of the year.

Some slow-paying subscriber or advertiser will please send us a few barrels corn. Advertising is the oil wise man put into their lamps, but which foolish ones refuse to use.

The majorities for the Democratic ticket in this county at the late election range from 125 to 368. COMING.—Messrs. Stover & Wolf will receive their first supply of new fall and winter goods next week.

PREACHING.—Rev. WM. LOGAN, of Carlisle, will preach in the Presbyterian church on next Sabbath morning at 10 o'clock. APPLES.—Apples at 20 cents a peck, apples at 25 cents a peck, by the bushel from 75 to 85 cts, at REID'S Grocery Store.

Do not forget to call on REID when you want good, fresh Oysters by the pint, quart or gallon. ROASTED COFFEE.—Another supply of browned coffee, roasted expressly for W. A. Reid.

ROASTED COFFEE.—Another supply of browned coffee, roasted expressly for W. A. Reid. GONE WEST.—Our genial friend, Wm Hammett, Esq., last week started for Kansas. We are not advised as to whether he is in quest of fortune or a w—.

Thursday, the 24th day of November, next, has been set apart by the President of the United States as a day of National Thanksgiving and Prayer. The display of the Aurora Borealis in the east and south of east on Tuesday evening was unusually brilliant and very generally noted and admired.

If you want to see a good stock of Boots, Shoes, Hats, Caps, Gloves, Jewelry, and a variety of small notions, go to E. Elden's, where you can buy very cheap for cash. RE-NOMINATED.—We notice that our friend and former citizen, Mr. E. S. Troxell, has been re-nominated for the office of Clerk of the Courts of Berkeley County, West Va.

MILLINERY GOODS.—Misses Stickle & Gordon request us to announce to the ladies generally that they have just opened out an entirely new stock of Millinery Goods, the finest assortment yet brought to town. Adv. next week. NEW GOODS.—We notice Messrs. Coon & Stonehouse and Messrs. Miller & Beaver have returned from the East and opened out stocks of new fall and winter goods. Call and see the late styles.

GENTLEMEN, go to Clarence N. Beaver's for the best and cheapest Hats. He is selling decidedly at a short profit. Terms, cash or 30 days. CENTRAL MARKET.—Prime Beef and Pork every day at Central Market, next door to Town Hall Store. Also, sausage and pudding, prepared by the "Baltimore Butcher." WEAGLY & KURTZ.

MR. LINDEN MILLS.—This desirable Mill property and farm, near town, owing it is probable, to the exceedingly disagreeable state of the weather was not sold on Thursday last. The owner, Mr. D. H. Garver, informs us that both are now in market at private sale. Mr. G's P. O. address is Ringgold, Wash. Co., Md. OYSTERS.—I will receive fresh oysters by express this forenoon at 10 o'clock. Families can be supplied by the pint, quart or gallon. I intend to give the oyster trade my undivided attention, and will furnish the public with the choicest brands both in shell and shucked. Persons wishing oysters to sell will do well by giving me a call. I am fully prepared to accommodate ladies and gentlemen with all the delicacies of the season—Ladies saloon up stairs—at the old Waynesboro' Bakery, Confectionary and Oyster Saloons. HIRAM HENNEBERGER.

THE RAILROAD.—Last week we announced the sale of the Gettysburg Railroad to Mr. Malby, for \$181,000. The decree of sale requires the purchase money to be paid within 30 days after the sale. The fund will be distributed pro rata among the Bondholders, who will realize from this fund and the surplus now in the hands of the Sequester about 90 cents on the dollar. So far as we can learn Mr. Malby buys the road purely for speculative purposes—Neither the Pennsylvania Central nor the Reading Company are connected with the purchase. Mr. Malby resides in New Haven, Connecticut, and is represented to be a gentleman of large means. He is the same person who secured a transfer of a controlling interest in the stock of the Gettysburg Railroad, subsequently purchased the hypotheated bonds held by John Hopkins, Sampson, and others, and instituted the proceedings in the Supreme Court for a foreclosure of the mortgage, resulting in the decree for the sale of the road—Gettysburg Star.

A man has been sentenced to imprisonment for life in Ohio for placing obstructions on a railway track. TERRIBLE AFFAIR.—Wm. McKaig, Jr., was shot dead on Monday week at Cumberland, Md., by a young man named Black. A special dispatch to the Baltimore American dated at Cumberland, Md., on Tuesday, says: The funeral of Lieutenant Colonel W. W. McKaig (son of Hon. Thomas J. McKaig), who was shot on Monday by Mr. H. C. Black, of this city, took place to-day. The funeral was attended by the Fifteenth Regiment State Militia, of which the deceased was Lieutenant Colonel, and a large number of personal friends. All business houses were closed from four to six o'clock. Mr. H. C. Black, who shot Mr. McKaig, charges the deceased with the seduction of his sister. He shot McKaig whilst he was passing along the street, killing him almost instantly. The entire city is enveloped in gloom and sorrow on account of the affair. Mr. Black is in the county jail.

GLOVES AND FUR FACTORY.—Manufacturers are the fountain head from whence spring all the supplies that make us comfortable, the manufacturers with their wares protect us from the elements, and it is to them that we look for such articles as will best meet our wants, in addition by making just what you pay manufacturers price thereby save dealers profits. Those who want Ladies' Furs, or anything in the Fur Line, or any description of Gloves should inspect the Glove and Fur Factory of Updegraff's opposite the Washington House, Hagerstown, while examining their Hats, Caps, Canes, Umbrellas, Pocket Books, Traveling Bags, Robes, Blankets, and also notice the nicest and most complete stock of Gent's Furnishing goods, every thing in that line from a paper collar to the finest best made best fitting Shirts. Now, people of Franklin County, go to C N Beaver's, N. E. corner Diamond, for good and cheap shoes, as he has had them all manufactured by his own order and are warranted. You will do best by giving him a call. Thanksgiving Day. By the President of the United States: A PROCLAMATION. WHEREAS, It behooves a people sensible of their dependence on the Almighty, publicly and collectively, to acknowledge their gratitude for His favors and mercies and humbly beseech for their continuance; and Whereas, The people of the United States during the year now about to end have special cause to be thankful for general prosperity, abundant harvests, exemption from pestilence, foreign war and civil strife: Now, therefore, be it known, that I, Ulysses S. Grant, President of the United States, concurring in any similar recommendation from Chief Magistrates of States, do hereby recommend to all citizens to meet in their respective places of worship on Thursday, the 24th day of November next, there to give thanks for the bounty of God during the year about to close, and to supplicate for its continuance hereafter. In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed. Done at the city of Washington, this 21st day of October, in the year our Lord one thousand eight hundred and seventy, and of the Independence of the United States the ninety-fifth. U. S. GRANT. By the President: HAMILTON FISH, Secretary of State.

SURPLUS GRAIN. The Chicago papers represent that the elevators are still full to overflowing. Milwaukee, which is second only to Chicago as a grain market, is in very much the same condition as Chicago. Her six large elevators are bursting with wheat, as Chicago's seventeen, with a total capacity of 11,580,000 bushels. In the face of this immense surplus now on hand comes the fact that the grain crop of the current year is destined to exceed that of any preceding year in quality and perhaps in quantity. Illinois, Iowa, Minnesota, Wisconsin, Indiana, and once far-away California, are almost ready to pour their wealth of breadstuffs upon the markets of the world. The Scranton (Pa) Spectator gives the particulars of the horrible death of two young girls, caused by the explosion of kerosene oil. "The victims were daughters of Mr. Edward Heiser residing several miles west of Charlestown. The elder alone was burned by the explosion, and the flames were communicated to the younger while trying to save her sister. The younger after proceeding some distance in the direction in which they ran, her clothes being almost if not wholly burnt from her body, returned to the house to procure a dress, which she carried in her hand to Mr. Lightner's, while the elder bore the entire distance the only member of the family present when the accident occurred, a child eighteen months old, and on reaching Mr. Lightner's, where also was her father, she threw her arms about her father's neck, her first words being: 'we're burned to death, but we have saved the baby.' The child escaped without injury." CATARRH.—If afflicted a constant dull pain will be felt in the head, ambition will be wanting, a constant drowsy feeling will be present, the skin will be dry and harsh, the hair will have a dead appearance, an uncomfortable and unhappy feeling prevailing throughout the whole system. Dr. J. Briggs' Allentown, a pleasant, agreeable and positive remedy, will instantly relieve and rapidly cure Catarrh of the most severe and troublesome description, and banish all of the unpleasant attendant symptoms. Each bottle making two to four quarts for use. Sold by F. Forthman. Dr. J. Briggs' Pile remedies are acknowledged by all who have tried them (and their name is Legion) to be the best, most successful and efficacious remedies ever used for that disease. Sold by Druggists. Briggs' Allentown and Curative, the only reliable and most efficacious remedies in the world for the speedy cure of Corns, Bunions, Bad Nails, &c. Sold by F. Forthman.

Dr. Briggs' Throat and Lung Healer can, without any exaggeration, safely be said to be the best remedy for the Throat and Lungs that is manufactured. It heals the diseased mucous surface, restores the lungs, purifies the blood, acts upon the Liver and Kidneys, and strengthens the system throughout. Sold by F. Forthman. A. A. Hays, M. D., State Assayer of Massachusetts, pronounces Hall's Sicilian Hair Renewer an efficient preparation for cleansing the skin of the head, promoting the growth, and restoring the original color of the hair when it has become gray. FOR SALE.—A desirable two-story Brick Dwelling House and Lot of Ground on East Main street, Waynesboro'. Possession can be given at any time. Enquire of GEORGE STOVER.

HALL'S VEGETABLE SICILIAN HAIR RENEWER. ITS EFFECT IS MIRACULOUS. It is a perfect and wonderful article. Cures baldness. Makes hair grow. A better dressing than any oil or pomatum. Softens harsh, dry and wiry hair into Beautiful Silken Tresses. But above all, the great wonder is the rapidity with which it restores GRAY HAIR TO ITS ORIGINAL COLOR. The whitest and worst looking hair resumes its youthful beauty by its use. It does not dye the hair, but strikes at the root and fills it with new life and coloring matter. The first application will do good; you will see the NATURAL COLOR returning every day, and BEFORE YOU KNOW IT, the old, gray, discolored appearance of the hair will be gone, giving place to lustrous, shining and beautiful locks. Ask for Hall's Sicilian Hair Renewer; no other article is at all like it in effect. See that each bottle has our private Government Stamp over the top of the bottle. All others are imitations. R. P. HALL & CO., Nashua, N. H., Proprietors. For sale by all druggists. [Oct 6-1mo.] THE TOMB. At Cambridge, Ill., on the 23d inst., Mrs M CLEMIE wife of Mr. James Kuagy, formerly of this county, in the 43d year of her age. On the 30th of September in Ambersson's Valley, Mrs MARTHA MAGEE, aged 85 years, 9 months and 10 days. On the 17th inst., near London, Mr. JACOB LEININGER, aged 78 years and 9 months. TAKE THIS HOME-READ AND REFLECT!

There are many good medicines in the world, we hope, for the sake of humanity, but medicine that is really perfect, because it is aperient, tonic, laxative, stimulant, sudorific and alterative at the same time, is

DR. FAHRNEY'S CELEBRATED

Blood Cleanser or Panacea!

With this rare medicine in your house you can do without purging by means of Pills or Purgers. You can do without Salts, Castor Oil, Citrate of Magnesia, Stenna or Minna, and so on. You want none of these; the Blood Cleanser is a substitute for the whole of them. And what is better, it

May be Taken with Safety and Comfort By the most delicate woman as well as the robust man. It is very palatable, and therefore easily administered to children. It is the only vegetable preparation existing which will answer in the place of Calomel, regulating the action of the Liver without making you a life-long victim to the use of Mercury or Blue Pills. It will open the bowels in a proper and wholesome manner—being composed of suitable medicaments.

It is one of the Best Medicines of the age, And when taken, will keep all the secretions in a healthy condition; compel all the organs to do their duty with regularity; purify the blood, and secure that inestimable blessing—SOUND HEALTH.

THERE IS NOTHING LIKE FAHRNEY'S BLOOD CLEANSER For the cure of all disorders of the Stomach, Liver, Bowels, Kidneys and Bladder. For Nervous Diseases, Headache, Costiveness, Indigestion, Bilious Fever, and all derangements of the internal viscera. You have in this medicine a PANACEA for some of the most painful and dangerous of all diseases.

AS A FEMALE REGULATOR It has no equal in the world. Married ladies, who never have had children, seldom know the cause of their unhappy condition, which is very often depending upon a faulty state of the Uterine Organs, and which can only be removed by the use of suitable remedies.

AN OUNCE OF PREVENTION IS WORTH MORE THAN A POUND OF CURE. The PANACEA will not only cure old standing and malignant complaints, but is one of the best preventives of such disorders ever offered to the world. You can avoid severe attacks of acute diseases, such as Cholera, Small Pox, Typhoid, Bilious, Spotted and Intermittent Fevers, by keeping your blood purified. The different degrees of all such diseases depend altogether upon the condition of the blood, for if this vital fluid is deranged you will take a disease much more readily than otherwise, and the suffering will be in proportion to the amount of foreign matter in the blood. This is so reasonable that we need not here make any illustrations.

THIS MEDICINE IS HIGHLY RECOMMENDED For all manner of chronic or old-standing complaints, such as Scrophula, Tetters, Salt-Rheum, Rheumatism, &c. Scirrhus or Cancer, and Cancerous Tumors, may be often removed from the system by the purifying effect of this medicine, if it is taken before they get a deep-seated hold upon the system. It tends to purge out from the blood the virus of these malignant disorders.
