### A GREAT MEDICAL DISCOVERY

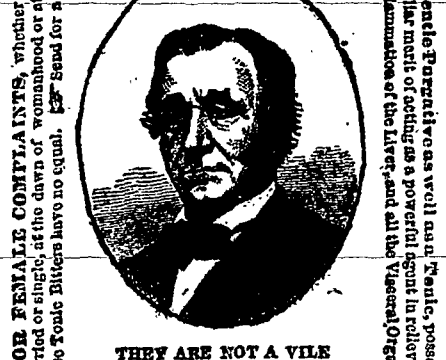

Dr. WALKER'S CALIFORNIA

### VINEGAR BITTERS

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

### WHAT ARE THEY?

THEY ARE NOT A VILE

### FANCY DRINK.

Made for the purpose of curing the various diseases of the system, and restoring the blood to a healthy condition.

FOR FEMALE COMPLAINTS, which in young or old, are attended with the most distressing symptoms, and which have proved a source of suffering to many a family.

FOR INFLAMMATORY and Chronic Rheumatism and Gout, Dyspepsia, or Indigestion, Biliousness, Headache, and Intermittent Fevers.

DISEASES OF THE BLOOD, Liver, Kidneys, and Bladder, these Bitters have been most successful.

Such Diseases are caused by vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Puffiness of the Face, Inflammation of the Lungs, Pain in the Regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia.

They invigorate the stomach and stimulate the torpid liver and bowels, which render them unequalled in efficiency in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Eczema, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the vitiated blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the hot and dry system will follow.

PIN-TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular which accompanies each bottle, or the four-page pamphlet—English, German, French and Spanish.

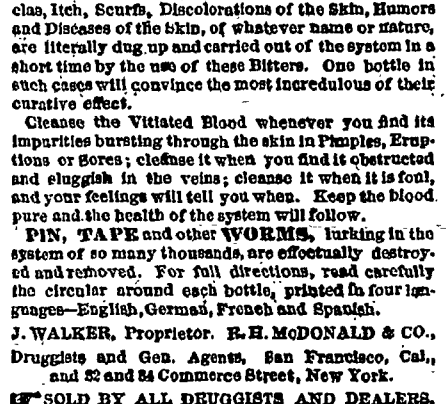

J. WALKER, Proprietor, R. H. McDONALD & CO., Druggists and Gen. Agents, San Francisco, Cal., and 22 and 24 Commerce Street, New York.

SOLD BY ALL DRUGGISTS AND DEALERS.

### PATENTED SEPT 21, 1869

### RYLAND'S PAT. CUTTER.

### FOR CUTTING HAY, STRAW FODDER, &c.

The merits of this Machine consist, in part, in the attachment of curved knives to the arms of the cutting-wheel, the shearing cut across the mouth-piece, the great power and directness of the blow, by which the volume of material is cut, with less power, than is required by any other Machine; those combined with its durability and simplicity of construction, command public attention. Nothing like it to get out of order, but what a boy could remedy with a pocket wrench.

Persons in want of machines of this description will do well by calling upon or addressing the undersigned. Good and responsible agents wanted to sell machines and territory, please to call on the office of the Waynesboro' Manufacturing Company. Persons interested should call and examine it, for it is what every farmer should have.

### GEISER'S PATENT SELF-REGULATING

### GRAIN SEPARATOR

### CLEADER DAGGER AND POWERS

No implement more important to the farmer than a FIRST-CLASS GRAIN THRESHER AND CLEADER—farmers pay him so well and speedily.

The above cut shows the ONLY GEISER MACHINE now built under the immediate eye of the inventor himself, with all the additional improvements made during the past 12 years, and now with first class workmen and material this machine just stands high up above all of its class. As a Thresher it is equal to the best, as a Cleaner it is superior to any existing machine. This is admitted by all honest competitors. Indeed it is the only machine that really can, by one operation, thoroughly thresh and clean grain for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority, as a cleaner over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agreed that it is more simple—more easily understood and operated by those unskilled in machinery—more durable—threshing as much and yet cleaning better—with less power and more comfort to hands than any other machine in use—and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 12 years. To supply the wants of all, we now make 4 sizes, viz: From a 2 Horse Railway or 3 Horse Lever Power, to a ten Horse Lever power, with prices ranging from \$190 to \$360, without power. We also make the latest improved triple-gear Horse Powers suitable for each size machine ranging from \$90 to \$135, and all fully and fairly warranted. For further information send for Circular and Price List. Responsible Agents wanted in territory not introduced. Address THE GEISER MANUFACTURING CO., Waynesboro', Franklin Co., Pa. Jan 21-11
