INVALIDS DON'T DESPAIR!

Thousands have found relief, and thousands will turn to this Medicine, after exhausting their purses and patience in search of health.

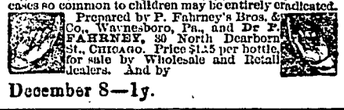
Giddiness of the head, dullness of the mind, fetid breath, coated tongue, loss of appetite, pains and weakness in the stomach, enlargement of the liver, yellowness of the skin, constant fever and thirst, with a total disrelish for business, pleasure or any kind of employment. FAHRNEY'S PANACEA, if taken and persevered in for a few days, will remove this whole class of symptoms. The fluids of the body become pure, and mind clear, the stomach strengthened, the tongue clean, the appetite improved, and the whole system so benefited that disease, in bad weather, is less liable to afflict you.

Trade Mark. **Dr. P. FAHRNEY'S**

Celebrated

Blood Cleanser or Panacea.

As a medicine for children, the Panacea is, in every way, calculated to take the place of the endless variety of drugs which are annually sold for that purpose, and which are often very injurious. A medicine which possesses the qualities of a cathartic as well as a mild alterative, and which is capable of arresting disease without the least injury to the child, is of incalculable value to every mother. As a cathartic, it is very effective, yet it does not, if given in proper quantities, cause nausea or distress to the stomach or bowels. It is very pleasant to the taste, which is a very important feature as a medicine for children. As a *preventive* of disease it is unprecedented, as it acts directly upon the digestive organs and the blood. In all scrofulous diseases, it is the most effective medicine ever offered to the public; and, if given regularly and perseveringly, those eruptive diseases so common to children may be entirely eradicated.



Prepared by P. Fahrney's Bros. & Co., Waynesboro, Pa., and Dr P. FAHRNEY, 80 North Dearborn St., CHICAGO. Price $1.25 per bottle. For sale by Wholesale and Retail Dealers. And by

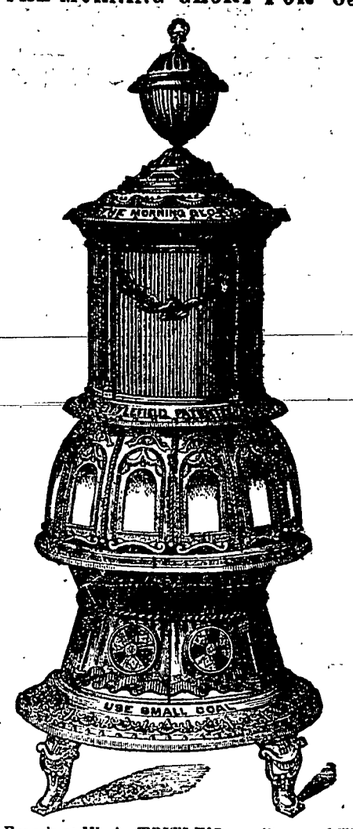
THE MORNING GLORY FOR '69.



For sale at W. A. TRITLE'S new Stove and Tin Store He has on hand a large stock of the above stoves, all of the late improved kinds.

There is added to the Morning of this year an oven, which is neat in appearance. It is a good Baker. You can heat Irons, Bake, Boil, Roast, Stew, and it does not interfere with the operations as a Parlor Stove.

In regard to the blast of some Stove Dealers, who say that their particular stove takes less coal and gives more heat than the Morning Glory, you can put that kind of talk down as a *Blow-well*, as the Morning Glory has been sold (in this part of the country) for four years, and in that time I have put out over three hundred of them, and never had to take one back because it would not do its work or it was not what I sold it for. Now that cannot be said of any other stove ever offered in this market. That is the proof which is the stove.

I have other styles of heating stoves for coal or wood. Heating Furnaces put up and warranted. My Cook Stoves are of the best in market for coal or wood, all warranted good Bakers. Also a new Parlor Cook Stove, something that can't be excelled.

Call and see me. You will find my stock of Tin Sheet-Iron and other wares of the best kinds, and at low rates.

On hand, the best Clothes Wringer in market.—Also a good and cheap Washing Machine.

Roofing and Spouting done of the best stock and at short notice. Job work of all kinds in my line done at low rates. The only place in town where you can get your copper work done, being the only Copper Smith in the place.

THE KIDNEYS.

The Kidneys are two in number, situated at the upper part of the loin, surrounded by fat, and consisting of three parts, viz: the Anterior, the Interior, and the Exterior

The anterior absorbs. The Interior consists of the water veins, which serve as a deposit for the urine and convey it to the exterior. The exterior is a conductor also, terminating in a single tube, and called the Ureter. The ureters are connected with the bladder.

The bladder is composed of various coverings or tissues, divided into parts, viz: the Upper, the Lower, the Nervous, and the Mucous. The upper expels, the lower retains. Many have a desire to urinate without the ability; others urinate without the ability to retain. This frequently occurs in children

To cure these affections, we must bring into action the muscles, which are engaged in their various functions. If they are neglected, Gravel or Dropsy may ensue.

The reader must also be made aware, that however slight may be the attack, it is sure to affect the bodily health and mental powers, as our flesh and blood are supported from these sources.

GOUT, OR RHEUMATISM.

Pain obscuring in the loins is indicative of the above diseases. They occur in persons disposed to acid stomach and chalky concretions.

THE GRAVEL.

The gravel ensues from neglect or improper treatment of the kidneys. These organs being weak, the water is not expelled from the bladder, but allowed to remain; it becomes feverish, and sediment forms. It is from this deposit that the stone is formed, and gravel ensues.

DROPSY

is a collection of water in some parts of the body, and bears different names, according to the parts affected, viz: when generally diffused over the body, it is called Anasarca; when of the abdomen, Ascites; when of the chest, Hydrothorax.

TREATMENT.

Helmbold's highly concentrated compound Extract Buchu is decidedly ONE OF THE BEST REMEDIES FOR DISEASES OF THE

BLADDER,
KIDNEYS,
GRAVEL,
DROPSICAL,
SWELLINGS,
RHEUMATISM,

and gouty affections. Under this head we have arranged Dysuria, or difficulty and pain in passing water, Scanty Secretion or small and frequent discharges of water; Strangury, or stopping of water; Hematuria, or bloody urine, Gout and Rheumatism of the kidneys, without any change in quantity, but increase in color, or dark water. It was always

PHILADELPHIA, PA., Feb. 25, 1867.

H. T. HELMBOLD, Druggist:

DEAR SIR—I have been a sufferer, for upward of twenty years, with gravel, bladder, and kidney affection, during which time I have used various medicinal preparations, and been under the treatment of the most eminent Physicians; experiencing but little relief.

Having seen your preparation extensively advertised, I consulted with my family physician in regard to using your Extract Buchu.

I did this because I had used all kinds of advertised remedies, and had found them worthless, and some quite injurious; in fact I despaired of ever getting well, and determined to use no remedies hereafter unless I knew of the ingredients. It was this that prompted me to use your remedy. As you advertised that it was composed of buchu, cubebs, and juniper berries, it occurred to me and my physician as an excellent combination, and, with his advice after an examination of the article, and consulting again with the druggist, I concluded to try it. I commenced its use about eight months ago, at which time I was confined to my room. From the first bottle I was astonished and gratified at the beneficial effect, and after using it three weeks, was able to walk out. I felt much like writing you a full statement of my case at that time, but thought my improvement might only be temporary, and therefore concluded to defer and see if it would effect a perfect cure, knowing then it would be of greater value to you, and more satisfactory to me.

I am now able to report that a cure is effected after using the remedy for five months.

I have not used any now for three months and I feel as well in all respects as I ever did.

Your Buchu being devoid of any unpleasant taste and odor,

A NICE TONIC AND INVIGORATOR OF THE SYSTEM,

I do not mean to be without it whenever occasion may require its use in such affections.
