A GREAT MEDICAL DISCOVERY
Dr. WALKER'S CALIFORNIA **VINEGAR BITTERS**

Hundreds of Thousands Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE FANCY DRINK.

Made of Pure Rum, Whiskey, Proof Spirits and Refuse Liquors, distilled and sweetened to please the taste, called "Tonic," "Appetizer," "Restorer," &c., that had the upper end to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE a perfect Restorer and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell.

\$100 will be given for an incurable case, provided the bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia, or Indigestion, Bilious, Remittent and Intermittent Fevers, Dropsy, or Swelling of the Feet, Dropsy of the Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Head ache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which renders them of unequalled efficacy in cleansing the Blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Boils, Carbuncles, Ring-Worms, Scald-Head, Sores, Erysipelas, Itch, Scurf, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

FOR RHEUMATISM, Neuralgia, Sciatica, Gout, Gravel, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.

Ayer's Cherry Pectoral,
For Diseases of the Throat and Lungs, such as Coughs, Croup, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has any thing been so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. It has been used for many years, and among most of the races of man it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for the most obstinate and dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this medicine for their protection.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. It is a powerful remedy over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear. Singers and Public Speakers find great protection from its use.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses. So generally are its virtues known, that we need not publish the certificates of those who use it more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,
For Fever and Ague, Intermittent Fever, Chills, Malaria, Biliousness, Dysentery, Dropsy, and all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does Cure, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it is in no wise injurious, any patient. The number and importance of its cures in the most difficult cases, are beyond account, and we believe without a parallel in the history of Ayer's medicine. Our pride is gratified by the acknowledgments received of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unaccompanied persons, either resident in, or travelling through malarious localities, will be protected by taking the AGUE CURE daily. For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.

Prepared by DR. J. C. AYER & CO., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.

PATENTED SEPT 21, 1869
RYLAND'S PAT. CUTTER

FOR CUTTING HAY, STRAW FODDER, &c.

The merits of this Machine consist, in part, in the attachment of curved knives to the arms of the cutting-wheel, the shearing cut across the mouth-piece, the great power and disengagement of the blades, which treble the volume of material is cut, with less power than is required by any other machine; these combined with its durability and simplicity of construction, command public attention. Nothing liable to get out of order, but what a boy could remedy with a pocket wrench.

Persons in want of machines of this description will do well by calling upon or addressing the undersigned. Good and responsible agents wanted to sell machines and territory.

The above Machine is now on exhibition at the office of the Waynesboro' Manufacturing Company. Persons interested should call and examine it, for it is what every farmer should have.
