**A GREAT MEDICAL DISCOVERY**  
 DR. WALKER'S CALIFORNIA  
**VINEGAR BITTERS**  
 Hundreds of Thousands  
 Bear testimony to their Wonderful  
 Cures in all cases.

**WHAT ARE THEY?**  
 They are Gentle Purgatives and will not hurt the system. They are the most powerful agents in relieving the bowels, and restoring the system to its natural state. They are the only medicine that will cure the most obstinate cases of Constipation, and all the diseases that arise from it.

**FOR FEMALE COMPLAINTS,** whether in young or old, they are the most powerful agents in relieving the bowels, and restoring the system to its natural state. They are the only medicine that will cure the most obstinate cases of Constipation, and all the diseases that arise from it.

**THEY ARE NOT A VILE FANCY DRINK.**  
 Made of Pure Rum, Whiskey, Proof Spirit and Essence of Licorice, and other pure ingredients. They are the most powerful agents in relieving the bowels, and restoring the system to its natural state. They are the only medicine that will cure the most obstinate cases of Constipation, and all the diseases that arise from it.

**FOR SKIN DISEASES,** Eruptions, Itch, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scabies, Discolorations of the Skin, Humors, and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

**PIN, TAPE and other WORMS,** lurking in the system of many, are not only destroyed but expelled and removed. For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.

**FOR CUTTING HAY, STRAW FODDER, &c.**  
**PATENTED SEPT. 21, 1869**  
**RYLAND'S PAT. CUTTER**

The merits of this Machine consist, in part, in the attachment of curved knives to the arms of the cutting-wheel, the shearing cut across the mouth-piece, the great power and directness of the blow, by which treble the volume of material is cut, with less power than is required by any other Machine; those combined with its durability and simplicity of construction, command public attention. Nothing like it has ever been put in the market, and what a boy could remedy with a pack of wrenches.

Persons in want of machines of this description will do well by calling upon or addressing the undersigned. Good and responsible agents wanted to sell machines and territory.

The above Machine is now on exhibition at the office of the Waynesboro Manufacturing Company, Persons interested should call and examine it, for it is what every farmer should have.

**Ayer's Hair Vigor,**  
 For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness—by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

**HAIR DRESSING,**  
 nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.
