

**GEISER'S PATENT SELF-REGULATING GRAIN SEPARATOR CLEANER BAGGER AND POWERS.**

No implement more important to the farmer than a FIRST-CLASS GRAIN THRESHER AND CLEANER—for none pays him so well and speedily.

The above cut shows the ONLY GEISER MACHINE now built under the immediate eye of the old inventors themselves, with all the additional improvements made during the past 18 years, and now with first class machinery and material this machine stands high up above all of its class. As a Thresher it is equal to the best, as a Cleaner it is superior to any existing machine. This is admitted by all honest competitors. Indeed it is the only machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority, as a cleaner over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more simple—more easily understood and operated by those unskilled in machinery—more durable—threshing as much and yet cleaning better—with less power and more comfort to hands than any other machine in use—and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply the wants of all, we now make 4 sizes, viz: From a 2 Horse Railway or 3 Horse Lever Power, to a ten Horse Lever power, with prices ranging from \$190 to \$360, without power. We also make the latest improved triple-gear Horse Powers suitable for each size machine ranging from \$90 to \$135, and all fully and fairly warranted. For further information send for Circular and Price List. Responsible Agents wanted in territory not introduced. Address THE GEISER MANUFACTURING CO., Waynesboro', Franklin Co., Penna. Jan 21—(1)

**THE MORNING GLORY FOR '69.**

For sale at W. A. TRITLE'S new Stove and Tin Store. He has on hand a large stock of the above stoves, all of the late improved kinds. There is added to the Morning of this year an oven, which is neat in appearance. It is a good Baker. You can heat, Boil, Bake, Boast, Stew, and it does not interfere with the operations as a Parlor Stove. In regard to the best of some Stove Dealers, who say that their particular stove takes less coal and gives more heat than the Morning Glory, you can put that kind of talk down as a *How-well*, as the Morning Glory has been sold (in this part of the country) for one year, and in that time I have put out over three hundred of them, and never had to take one back because it would not do its work or it was not what I sold it for. Now that cannot be said of any other stove ever offered in this market. That is the proof which is the stove. I have other styles or heating stoves for coal or wood. Heating Furnaces put up and warranted. My Cook Stoves are of the best in market for coal or wood, all warranted good Bakers. Also a new Parlor Cook Stove, something that can't be exceeded. Call and see me. You will find my stock of Tin Sheet-Iron and other wares of the best kinds, and at low rates. On hand, the best Clothes Wringer in market. Also a good and cheap Washing Machine. Roofing and Spouting done of the best work and at short notice. Job work of all kinds in my line done at low rates. The only place in town where you can get your copper work done, being the only Copper Smith in the place. Oct 1] W. A. TRITLE.

**THE KIDNEYS.**

The Kidneys are two in number, situated at the upper part of the loins, surrounded by fat, and consisting of three parts, viz: the Anterior, the Interior, and the Exterior.

The anterior extremity. Interior consists of two or three lobes, which serve as a deposit for the urine and convey it to the exterior. The exterior is a coil of vessels, terminating in a single tube, and called the Ureter. The ureters are connected with the bladder.

The bladder is composed of various coverings or tissues, divided into parts, viz: the Upper, the Lower, the Nervous, and the Mucous. The upper exerts the lower retains. Many have a desire to urinate without the ability; others urinate without the ability to retain. This frequently occurs in children.

To cure these affections, we must bring into action the muscles, which are engaged in their various functions. If they are neglected, Gravel or Dropsy may ensue. The reader must also be made aware, that however slight may be the attack, it is sure to effect the bodily health and mental powers, as our health and blood are supported from these sources.

**GOUT, OR RHEUMATISM.**

Pain obscuring in the loins is indicative of the above diseases. They occur in persons disposed to acid stomach and chafy exertions.

**THE GRAVEL.**

The gravel ensues from neglect or improper treatment of the kidneys. These organs being weak, the water is not expelled from the bladder, but allowed to remain; it becomes feverish, and sediment forms. It is from this deposit that the stone is formed, and gravel ensues.

**DROPSY**

is a collection of water in some parts of the body, and bears a different name, according to the parts affected, viz: when generally diffused over the body, it is called Anasarca; when of the abdomen, Ascites; when of the chest, Hydrothorax.

**TREATMENT.**

Helmhold's highly concentrated compound Extract Buchu is decidedly ONE OF THE BEST REMEDIES FOR DISEASES OF THE BLADDER, KIDNEYS, GRAVEL, DROPSICAL, SWELLINGS, RHEUMATISM, and gouty affections. Under this head we have arranged Dysuria, or difficulty and pain in passing water; Scanty Secretion, or small or frequent discharges of water; Strangury, or stopping of water; Hematuria, or bloody urine; Gout and Rheumatism of the kidneys, without any change in quantity, but increase in color, or dark water. It was always

**HIGHLY RECOMMENDED**

by the late Dr. Physick, in these affections. This medicine

and excites the absorbents into healthy exercise by which the watery or calcareous depositions, and unnatural enlargements, as well as pain and inflammation, are reduced, and it is taken by men, women, and children. Directions for use and diet accompany.

PHILADELPHIA, Pa. Feb. 25, 1867.

H. T. HELMHOLD, DRUGGIST.

DEAR SIR—I have been a sufferer, for upward of twenty years, with gravel, bladder, and kidney affection, during which time I have used various medicinal preparations, and I been under the treatment of the most eminent Physicians; experiencing but little relief.

Having seen your preparation extensively advertised, I consulted with my family physician in regard to using your Extract Buchu.

I did this because I had used all kinds of advertised remedies, and had found them worthless, and some quite injurious; in fact I despaired of ever getting well, and determined to use no remedies heretofore used. I knew of the ingredients. It was this that prompted me to use your remedy. As you advertised that it was composed of Buchu, cubes, and juniper berries, it occurred to me and my physician that an excellent combination, and with his advice after an examination of the article, and consulting again with the druggist, I concluded to try it. I commenced its use about eight months ago, at which time I was confined to my room. From the first bottle I was astonished and gratified at the beneficial effect, and after using it three weeks, was able to walk out. I felt much like writing you a full statement of my case at that time, but thought my improvement might only be temporary, and the remedy concluded to defer and see if it would effect a permanent cure, knowing then it would be of greater value to you, and more satisfactory to me.

I have not used any now for three months and feel as well in all respects as I ever did.

Your Buchu being devoid of any unpleasant taste and odor,

Should any doubt Mr. McCormick's statement be referred them to the following gentlemen:

- Hon. Wm. BIGGINS, ex-Governor, Pennsylvania.
- Hon. THOS. B. FURKNER, Philadelphia.
- Hon. J. C. KNOX, Judge, Philadelphia.
- Hon. J. S. BLACK, Judge, Philadelphia.
- Hon. D. R. PORTER, ex-Governor, Penn'a.
- Hon. ELIAS LEVIST, Judge, Philadelphia.
- Hon. R. C. QUINN, Judge, United States court.
- Hon. G. W. WOODWARD, Judge, Philadelphia.
- Hon. W. A. POWERS, City Solicitor, Phila.
- Hon. JOHN BROWN, ex-Governor, California.
- Hon. E. BERRY, Auditor Gen., Washington, D. C.

And many others if necessary.

Sold by Druggists and Dealers everywhere. Beware of counterfeits. Ask for Helmhold's. Take no other. Price—\$1.25 per bottle, or 6 bottles for \$6.50. Delivered to any address. Describe symptoms in all communications.
