VILLAGE RECORD.

WAYNDSBORO. Thursday, February 9, 1871.

EF Hon. Alex Caldwell, Republican, has bean elected U. S. Senator from Kansas.

The estate of Hon. John Covode is estimated at one and a half millions of dollare. He entered active life without any property, whatever.

The oft-disappointed Millerites of New England have set another day for 'going up' -the 11th of February-and they have already commenced to get excited and enthusiastic over their contemplated journey.

The strike of the coal miners in the Schuylkill regions continues, with no prospeot of an early resumption of work. The posieties continue to enforce the suspension of all work.

REMOVED .- Nearly fall the troops have been removed from Carlisle Barricks, and it is thought that the War Department will soon ubaudon the playe as a cavalry station and school. The frequent difficulties between February 3d, at 7 o'clock, and also on Sunthe military and citizens, sometimes result- day evening following at the usual hour. ing in litigation, have had something to do with the removal.

THE END AT LAST .- Paris has surrendered, and with its fall comes the end of the bloody struggle which has desolated two great nations, prostrated their financial, commercial and industrial interests to the ground and east a black pall of mourning over thonsands of firesides, while the fertile fields of France have drunk up the life blood of multitudes of the best and bravest of both the the snow is gradually disappearing. contending nations. The telegraph reports the capitulations of the great city, with all its immense garrison, and that an armistice -for three-weeks, by-land and sea, has been agreed upon. We consider the armistice Mr. Samuel Shank. the end of the war. Even Gambetta would fad it impossible to continue hostilities after the fall of Paris, as he promised to do, for

France is exhausted. THE alarming increase in the number of frightful accidents, resulting in terrible deaths and destruction of valuable property, caused by the in-discriminate use of oils, known under the name of Petroleum, prompts us to call your special attention a an article which will, wherever used, remove the

cause of such accidents. We allude to CARSON'S STELLAR OIL for ILLUMINATING PURPOSES

The proprietor of this oil has for, several years elt the necessity of providing for, and presenting to the public, as a substitute for the dangerous com-pounds which are sent broadcast over the country, as an oil that is safe, brilliant, and entirely reliable After a long series of laborious and costly experiments, he has succeeded in providing, and now offers to the public, such a substitute, in

s to the public, such a substitute, in "CARSON'S STELLAR OLL"

It should be used by every family because it is safe beyond a question. The primiting purpose in the preparation of STELLAR OIL has been to make beyond a question." it Perfectly Safe, thus insuring the lives and property of those who use it. Its present standard of SAFETY and BRILLIANCY will slways be maintained, for upon this the proprietor depends for sus-taining the high reputation the STELLAR OIL now enjoys.

To prevent the adulteration of this oil with the explosive compounds now know under the name of erosene, &c., &c., it is put up for family use in five-gallon cans, each can being sealed and stamped with the trade-mark of the proprietor ; it cannot, therefore, be tampered with between the manufacturer and consumer. None is genuine without this trade-mark.

. It is the duty and interest of all dealers and consumers of illuminating oil to use the STELLAR OIL only, because it alone is known to be safe and reliable. It is for sale by Amberson, Benedict & Co., Waynesboro'.
