A GREAT MEDICAL DISCOVERY
 Dr. WALKER'S CALIFORNIA
VINEGAR BITTERS
 Hundreds of Thousands Bear testimony to their Wonderful Curative Properties.
WHAT ARE THEY?

They are not a vile fancy drink. Made of Pure Ham, Whiskey, Proof Spirit and Bessao Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and a LIFE GIVING TONIC, a perfect Restorer and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell. \$1.00 will be given for six months' cure, provided the bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia, or Indigestion, Bilious, Remittent and Intermittent Fevers, Dropsy, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Head aches, Pain in the Shoulders, Coughs, Tightness of the Chest, Diarrhea, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the result of Dyspepsia. They invigorate the Stomach and stimulate the hepatic and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

PORE SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Itches, Scabs, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scabies, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or kind, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find the impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the Blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.

J. WALKER, Proprietor, B. E. McDONALD & CO., Druggists and Gen. Agents, San Francisco, Cal., and 23 and 24 Commerce Street, New York.

SOLELY BY ALL DRUGGISTS AND DEALERS.

PATENTED SEPT. 21, 1869.

The merits of this Machine consist, in part, in the attachment of curved knives to the arms of the cutting-wheel, the shearing cut across the mouth-piece, the great power and directness of the blow, by which the volume of material is cut, with less power than is required by any other Machine; those combined with its durability and simplicity of construction, commend it to the attention of the public. Nothing is to be got out of order, but what a boy could remedy with a pocket wrench.

Persons in want of machines of this description will do well by calling upon or addressing the undersigned. Good and responsible agents wanted to sell machines and territory.

The above Machine is now on exhibition at the office of the Waynesboro Manufacturing Company. Persons interested should call and examine it, for it is what every farmer should have.

Ayer's
Hair Vigor,
 For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or where the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
