THE starming increase in the number of fright ful accidents, resulting in terrible deaths and destruction of valuable property, caused by the ipdiscriminate use of oils, known under the name of Potroleum, prompis us to call your special attention to an article which will, wherever used, remove the cause of such accidents. We allude to

### Carson's Stellar Gel for ILLUMINATING PURPOSES

The proprietor of this oil has for several years felt the necessity of providing for, and presenting to the public, as a substitute for the dangerous compounds which are sent broadcast over the country, as an oil that is safe, brilliant, and entirely reliable. After a long series of lahorious and costly experiments, he has succeeded in providing, and now offers to the public, such a substitute, in

"CARSON'S STELLAR OIL."

It should be used by every family because it is safe beyond a question. The primary purpose in the preparation of STELLAR OIL has been to make Perfectly Safe, thus insuring the lives and property of those who use it. its present standard of SAFETY and BRILLIANCY will always be main-REPS; tained, for upon this the proprietor depends for sus-taining the high reputation the STELLAR OIL now enjoys.

To prevent the adulteration of this oil with the explosive compounds now know under the name of kerosene, &c., &c. it is put up for family use in five-gallon cans, each can being scaled and stamped with the trade-mark of the proprietor; it cannot, therefore, be tampered with between the manufacturer and consumer. None is genuine without this

trade-mark. It is the duty and interest of all dealers and consumers of illuminating oil to use the STELLAR OIL only, because it alone is known to be safe and reliable. It is for sale by

Blood Cleanser or Panacea. As a medicine for children, the Pavacca is, in every way, calculated to take the place of the endlose variety of drugs which are annually sold for that purpose, and which are often very ripairious. A medicine which possesses the qualities of a catharile as well as a mild alterative, and which is capable of arresting disease without the least injury to the child, is of incalculation value for svery mother. As a catharile, it is very encewive, yot it does not, if given in proper quantities, cause mallon of distress to the atomic hor bowles. It is very pleasant to the taste, which is a very important feature as a medicine for children. As a presentine of disease it is imprecedented, as it acts directly upon the digesilve organs and the blood. In all accordions disease, it is the most effective medicine ever offered to the public; and, friven regularly and persevering!, those erupire diseases to common to children may be entirely children's. CHINE now built under the immediate eye of the old inventors themselves, with all the additional improvements made during the past 18 years, and now with first class workin mand material this in chine justly stands high up above all of its class. As a Thresher it is equal to the best, as a Cleaner it is skeperior to any existing machine. This is admitted by all housest competitions. Indeed it is the only: machine that really can by one operation, thoroughly thresh and clean arain -fit for-market But the lact that grain direct from this machine commands from 2 to 3 coms a bushel more than grain direct ir m any other machine, settles the question of its superiority, as a cleaner over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition withlother leading machines, always agree that it is more simple-more easily understood and operated by those unskilled in machinery—more dura-ble,—threshing as much and yet cleaning better with less power and more comfort to hands toonany other machine in use-and besides all that is sold for tess money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To-supply the waits of all, we now make 4 sizes, viz: From a 2 Horse Railway or 3 Horse Lever Power, to a ten Horse Lever power, with prices ranging from \$190 to \$3:0, without power. We also make the latest im-proved triple-geared Horse Powers suitable for each size machine ranging from \$90 to \$135, and all-fully-and-fairly warranted.
