

VILLAGE RECORD.

WAYNESBORO

Thursday, March 9, 1871.

On Saturday Governor Walker of Virginia, signed the bill chartering the Washington and Richmond Railroad Company.

Work has been suspended on the Western Maryland Railroad on account of a strike among the laborers.

Bishop Andrew, Senior Bishop of the Methodist Episcopal Church South, died at Mobile, Ala., on Thursday last.

Mr. Phillip Roman, a well known citizen of Maryland died at his residence in Cumberland recently.

During the last week Judge Gilmer, of the Criminal Court of Baltimore City, sentenced two wife beaters to eighteen months imprisonment each in jail.

The Central Exhibition in 1870 in celebration of the one hundredth anniversary of the Declaration of Independence is to be held in Philadelphia.

A young lady named Eva Clark, of Venango borough, Venango county, died on Monday last from the effects of chloroform, administered by a dentist, for the purpose of extracting teeth without pain.

A thousand millions of dollars is now what appears to be settled as the indemnity which France is to pay Germany. This is an immense sum, and the nation would probably have had some difficulty to raise it, but the Rothschilds have stepped forward and offer to pay the amount within a year, and when it is received in the royal coffers a large portion of the German troops will leave the soil of France. The ability of the great financiers cannot be doubted, and thus one portion of the difficulty in which France has been placed obtains a solution.

Thomas H. Burrows, LL. D., President of the Agricultural College of Pennsylvania, died at four o'clock, on Saturday at term, aged sixty-seven years.

Mr. Burrows was the first Superintendent of the Orphans' Schools in the State, having been appointed by Governor Curtin during the last year of his administration.

He was also for many years the able editor of the Pennsylvania School Journal. In February, 1869, he was appointed to the Presidency of the State Agricultural College, in which capacity he served until his decease Mr. Burrows was a native of Lancaster county.

On Friday the German troops commenced the evacuation of Paris, and by nightfall there were none left within its walls. They retired beyond the Seine, the Parisians thronging the streets as they marched out, but observing a scrupulous silence and non-intercourse with them. The newspapers, which had suspended during the occupation, reappeared on Saturday, some with appeals to the passions of the people calculated to provoke riot and disorder. Notwithstanding this evil influence the city remained quiet and orderly. It is stated by correspondents of the London News that both the Emperor William and Prince Frederick Charles were in Paris on Thursday. An official despatch from Versailles says that the intervention of England in the peace negotiations was only regarding the war indemnity, and did not relate to the occupation of Paris. Prince Fred'k Charles has been appointed Commander-in-Chief of the army which will occupy a portion of France until the money payments are made and will have his headquarters at Rheims. There has declined to make a treaty of commerce with Germany, the pretext policy of France being a protective tariff Berlin was brilliantly illuminated on Saturday night and the Empress and Princesses appeared on the streets. Arrangements are being made for the release of the French soldiers held as prisoners of war. Bourbaki's army will be returned from Switzerland. It is rumored that Napoleon is negotiating for an estate in Bohemia, to which he will retire.

The man in Washington who made a wager of \$500 that he could eat a partridge every morning for thirty days, between the hours of nine and ten o'clock, has finished his job and won the money. This feat though apparently simple enough, has surprised the medical fraternity who were confident he would fail, as no instance is recorded of any one succeeding in such an effort. It was thought that the mind would be so harassed by the thirty day task that it would cause the stomach to revolt at about the twentieth day. But this fellow only seemed to mind it to the extent of 15 pounds of flesh which he lost, and says he can do it again.

At a municipal election held in Frederick, Maryland, on Monday a week, Thomas M. Holman, Republican, was elected Mayor by a majority of one hundred and eighty-six. The Republicans also elected all of the aldermen, and four out of seven councilmen.

The Supreme Court of the United States in the case of Virginia vs. West Virginia, involving the validity of a declaration of Berkeley and Jefferson counties to West Virginia, the Court decided that the counties named were a portion of West Virginia.

The weather is delightful.

LOCAL MATTERS.

SALE REGISTER.—The public sales advertised through the columns of the Village Record come off in the following order: Sately & Miller, Waynesboro, March 11. Carbaugh & Leason, 1 mile Southwest of Waynesboro, March 12. Daniel Holsinger, 1 1/2 miles Northwest of Waynesboro, March 17. W. B. Monn, near Quincy, March 15. Christian Shockey, between Higgold and Pikeville, March 21. Peter Geiser, Waynesboro, March 25.

NOTICE TO PATRONS.—As the first of April is not far distant we make the usual appeal to those in arrears at this office for subscription, job work and advertising, to call and settle their accounts. Like the generality of persons in public business, we have payments to make on that occasion. We dislike denning, on account of our more prompt paying patrons, and only refer to those who have treated our former appeals with indifference. To say the least of it, it is unreasonable, if not downright carelessness or something worse, for a subscriber to withhold payment for a half dozen or more years, knowing, as he must, that the Printer is required to pay cash for paper, ink, labor, etc. After the 15th inst. this class of patrons, whether near or distant, will each receive through the P. O. bills of their indebtedness. That further denning may not be necessitated we request a general response.

PREACHING.—Rev. Mr. Keedy, of Centerville, Cumberland county, will preach at Jacobs' Church on Sunday morning next, and the same day, at 2 o'clock, P. M., in the Lutheran Church in this place.

CALL ACCEPTED.—Rev. A. Bahrtman, for a number of years Pastor of the Lutheran Church in this place, has received and accepted a call to the Lutheran Church at Milton, Pa. He will preach his farewell sermon here on Sunday the 2d day of April next.

CONCERT.—Charles Johnson, a blind man, assisted by Prof. J. B. Seerist, will give a Concert of Vocal and Instrumental Music, in the Town Hall in this place, on Saturday evening next. Mr. Johnson is a graduate of the Blind Institution of Baltimore, and his performances are highly commended. Tickets 25 and 15 cents.

AN ACCIDENT.—Mr. David Miller met with a serious accident on Tuesday last in a well on the premises of Levi Saders in this place. He had descended the well accompanied by Mr. Jacob Burkett to the depth of about 60 feet and was preparing to blast. From some cause the fuse ignited, prematurely putting off the blast. Mr. M. sustained serious injuries, his left side, arm and face being frightfully lacerated. Mr. Burkett fortunately escaped injury. Their escape from instant death was certainly a miraculous one.

VISITORS.—Jovial "Tom" of the Herald and Torch, in company with Capt. Heyser and T. J. Mill, Esq., paid us a visit on Saturday last. Though the eldest member of the "craft" in Hagerstown, he presents a youthful appearance, and on this occasion seemed to be in possession of his usual flow of spirits. We regret that our engagements would not permit us to accompany him upon his reconnaissance about town. Of all our old friends there are none we are more glad to meet than "Tom" of the Herald. Come again, good fellow.

OLD PAPERS.—Mr. Jacob Snowberger, of this vicinity, the other day showed us a German Almanac, printed at Germantown, in this State, in 1763—108 years ago; also a tax duplicate for Washington and Quincey townships (which were one at that early day) for the year 1800, from which it appears the State and County taxes that year in the township, including Quincey, was only \$339 10—quite a contrast with the present rate of taxation. Patrick Campbell was County Treasurer, J. Holiday and Nathaniel McDowell, Commissioners; Frederick Foreman, Collector. Among all the names recorded within the duplicate there now exists not a single living witness.

LECTURES.—The appointments for Rev. Thomas Roberts, of Philadelphia, from the Grand Lodge of I. O. G. T., to lecture in this county, have been changed, and will occur as follows: In Greencastle, March 13; Fayetteville, 15; Mt. Alto, 17; Quincy, 18; Waynesboro, 19; Marsersburg, 21; St. Thomas, 23. He proposes to resuscitate Franklin Lodge in this place on Monday the 20th, which suspended sometime since.

COURT.—The following is a list of Jurors from Washington and Quincy townships for Court, commencing April 10th. Grand Jurors.—Geo. B. Hawker, John Greencastle, Jacob Hoover, Jacob Price. Travelers Jurors.—Daniel Brown, Nicholas Bonebrake, John Gehl, John Harbaugh, Levi Leason, Wm. Potter, Henry Walter, Col. G. B. Weistling, Peter Fahnestock, John Gilbert, J. W. Miller, John T. Stull.

POPULAR MEDICINES.—Dr. J. C. Ayer & Co's preparations, sold by all druggists and dealers, stand prominently, if not first, among the medicines of the day. They are, of long standing and accepted generally as standard medicines. Their advertisements will be found from week to week in our columns.

There is before the Legislature a bill to prevent the sale of intoxicating liquors on general election days. Its penalties are imprisonment from ten to one hundred days, and a fine of from \$20 to \$500.

WAYNESBORO AND ITS BUSINESS INTERESTS.—If the project of building a Railroad from the Susquehanna via. Gettysburg to the Potomac river is to prove a reality the time is not far distant when the line will be determined upon, and as considerable interest on the subject has been awakened in our town and country, we propose, as an inducement to have Waynesboro a point on the grand route, to show by figures that it is not an unimportant place, in a business sense. We therefore give below the amount of capital invested in our manufacturing establishments with the extent of their business.

Last season the Geiser Manufacturing Company shipped 225 Machines, aggregating a retail price of \$150,000, and used up lumber, coal, iron, hardware, &c., to the amount of about \$96,000, the greater part of which was shipped. The capital of the Company is \$134,000. Messrs. Frick & Bowman, proprietors of the Waynesboro' Portable and Stationary Engine Works last year sold boilers, engines and other machinery amounting to \$50,000, and during the same time consumed 225 tons of coal; their entire tonnage, including iron, castings and lumber, amounted to 775 tons. The capital invested in their business is about \$60,000.

The Agricultural Implements and Planing Mills of Messrs. Eddy, Russell & Co., manufacturers of implements amounting to about \$15,000 and consume in a year about 1,000,000 feet of lumber and about 100 tons of coal, a large amount of iron and other material, nearly all of which they receive from Greencastle or Hagerstown by wagons. The capital of the Company is \$50,000.

Dr. P. Fahrney's Bros. & Co., manufacturers of "Dr. Fahrney's Blood Cleanser or Passages," shipped over 2500 dozens of their medicine up to the 1st of January last. The Company was organized a little over a year ago, and has an invested capital of \$20,000. Our Post Office Receipts indicate more business than any other town in the county, not excepting Chambersburg, taking population and Court into account. Within a radius of five miles there are eight grist mills, some of them extensive ones, indicating abundant water power for all kinds of manufactures. Situated in the centre of a fine farming country with Railroad facilities it is reasonable to presume that the business of the above establishments would be largely increased.

The above statement is not exaggerated as we obtained the figures from the proprietors themselves. From an estimate made by a Committee in May, 1868, in the interest of a Branch Road to Scotland, it was found that the mills in this township and Quincy township, the year previous, shipped to market over SIXTY THOUSAND BARRELS OF FLOUR.

RECEIPTS.—The following is a list of our receipts for subscription for the last month: J. Douglas, E-q, \$3 10; Geo W Miller, 4 00; W. A. Flory, 2 00; John C. R. Gordon, 1 00; George W. Welty, 4 00; Daniel Mickley, 2 00; W. R. Miller, 1 00; Christian Beaver, 2 00; R. McIlvany, 2 00; Samuel A. West, 2 62; George F. Lidy, 10 00; Henry Cayhoe, 4 00; Christian M. Fank, 2 00; John S. Oller, 2 00; Abram Bessecker, 2 00; John Rinehart, 6 00; David Lohr, 4 00; Philip Beaver, 2 00; Henry Gaver, 8 00; David Slatzer, 5 00; Jacob Leaser, 4 00; Emanuel Diffenderfer, 12 00; David Gipe, 5 00; Steiner & Fisher, 2 00; J. W. Foreman, 4 00; F. J. Beard, 2 00; George L. Preet, 2 00; Miss Martha Fyock, 2 00; Major D. H. Brotherton, 8 00; John Morgal, 11 00; Paul Strausser, 4 00; Peter Soaks, 2 00; Abram Snowberger, 2 00; Jacob Frick, 2 00; Jacob E. Miller, 2 00; W. H. Gaff, 5 00; Daniel H. Butzman, 4 00; Jacob H. Potter, 2 00; Seymour Fahnestock, 2 00; Josiah Benedict, 2 00.

The business of paying debts is so much of a bore to the mass of mankind that he who offers extra inducements to debtors is entitled to a hearing. Such an one was the uncle of a New Hampshire youth, who lately repaid his uncle the sum of ten dollars borrowed some years before. So virtuous an act deserved reward, and for once received it. For the old gentleman died the other day, and left a will bequeathing his estate, valued at two hundred thousand dollars, to his debt-paying nephew. He gave as a reason for the bequest the fact that, though many relatives had borrowed money of him, this one alone had remembered to return the loan. The moral of this is obvious, but lest some may fall to see it, we state it thus. If you owe your uncle, fork over.

We have received from N. P. Boyer & Co., of Parkersburg, Chester County, Pa samples of imported Norway oats, Alsike clover and Chester county mammoth corn; They generously offer to send sample packages free to all farmers who send stamps to pay postage.

Among the numerous preparations for gray hair in the market, we commend to our readers Hall's Vegetable Sicilian Hair Renewer as the best. Our druggists keep it for sale.

PILES.—Internal, External, Bleeding or Itching. This distressing and harrowing disease is alarmingly on the increase. More so, perhaps, from the fact that those who are afflicted from a false notion of delicacy, are apt to ask for a remedy, thereby making their condition known. How wrong and fatal is this neglect. At the first indication of the appearance of this complaint they should procure Briggs' Unrivaled Pile Remedy, and, using it according to directions, immediately check it and permanently cure it. It is easy of application, and thorough in its effects. Sold by F. FOURTHMAN.

COUGHS, COLDS, BRONCHITIS, ASTHMA, &c.—The above complaints, as Winter approaches, seem to be increasing in prevalence, and if not taken in time, either one may lead to that dreadful and fatal disease—consumption. Briggs' Throat and Lung Healer is a positive remedy for all diseases of the throat, lungs and chest—never failing when used in the morning of affliction. Sold by druggists.

CORNS, BUNIONS, INGROWING NAILS, &c.

The enormously increasing sales of Briggs' Allevator and Curative for the prevention and cure of the many painful diseases of the feet, bear witness to their wonderful superiority over all other like preparations. The Curative, for foot-rot, tender and fastened corns and bunions, nails, &c., is soothing and healing, permanently curing the worst cases when used according to directions. Her little white hands are playing the harp, which she could not do while here upon earth. Oh! parents don't mourn 'till never return. The Savior has called her and all will do so.

She is free from all care we truly do know. But we here on earth through trials must go; Her brothers and sisters they all were as kind, but Jesus saw good to leave them behind.

Oh! children remember that you too must die. Ere many more months in the grave you may lie. Try all you please faithful souls must be here again. To sing hallelujah and glory amen.

That we no more his form shall clasp, No more his lips shall kiss, No more shall hear his silvery voice. Which thrilled our souls with bliss.
