1sthma is always relieved and often wholly unrel by it.

Bronchitjs, is generally cured by taking the Cherry Pectoral in small and frequent doses.

So generally are its virtues known, that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,

For and Ague, Intermittent Fever, Chill Forer, Remittent Fever, Dumb Ague, Periodical or Birious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

poisons.

As its name implies, it does Cure, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it in nowise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures. Created in obstinate cases, and where other remcies had wholly failed.

Unacclimated persons, either resident in, or travelling through minematic localities, will be paractered by taking the AG UEC CURE daily.

For Liver Complaints, arising from torpidity of the Laver, it is an excellent remedy, stimulating the Laver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.
