

**GOOD NEWS!**  
CAN BE HEARD AT THE STORE OF  
**W. A. REID.**

I HAVE just bought in the East a choice stock of goods. A full supply of  
**COFFEES, TEAS, RICE, WHITE SUGARS.**  
(Coffee, cracked leaf and pulverized)  
P. R. AND N. O. MOLASSES, SYRUPS, DRIED FRUIT, SUGAR-CURED HAMS, SMOKED BEEF, &c.

In the way of Pure Sicces and baking articles generally and favoring articles, etc. the quality stands unsurpassed. Do not forget to look at our 10 cent and 15 cent levers. I am prepared to keep the market.  
**CHEESE**—The very best quality on hand summer and winter.

**CRACKERS.**  
I get my goods fresh from the factory of James and Co. Have many different kinds. The "sweetest thing out is the Imperial."

**FRESH AND SALTED FISH.**  
The fish department we keep up full, and will play second fiddle to none. All through the proper season we get string fish, iced shad and herring. We sell sound fish and sell them right is the reason we sell them fast. Customers wanting one shad or 100 waited on with the same alacrity. Housekeepers wanting to lay in a supply for the summer should buy very soon.

**MACKEREL.**  
I now have in store and for sale a choice lot of Mackerel in whole fish, halves and quarters, at about one-half the price per pound of Bacon. There is nothing else in the provision line as cheap as Mackerel. Make a note of this.

**GLASSWARE.**—Look at the goblets, tumblers, sets, small dishes, etc.  
**QUEENSWARE.**—Granite ware of the very best make imported in Teas and by the dozen and half dozen. Also a large stock of common Teas and dishes.  
**NOTIONS AND SUNDRIES.**—Baskets, buckles, brooms, brushes, combs, Barlow's blue, clothes pins, pocket books, essences, &c. chewing tobacco and cigars.  
I ask the public to call and examine. Will always try to make the prices suit buyers.

**GEISER'S PATENT SELF-REGULATING GRAIN SEPARATOR CLEANER BAGGER AND POWERS!**

No implement more important to the farmer than a FIRST-CLASS GRAIN THRESHER AND CLEANER—for none pays him so well and speedily. The above cut shows the ONLY GEISER MACHINE now built under the immediate eye of the inventor, with all the additional improvements made during the past 18 years, and now with first class workmen and material this machine justly stands high above all of its class. As a Thresher it is equal to the best, as a Cleaner it is superior to any existing machine. This is admitted by all honest competitors. Indeed it is the only machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the best that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority, as a cleaner over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more simple—more easily understood and operated by those unskilled in machinery—more durable—threshing as much and yet cleaning better—with less power and more comfort to hands than any other machine in use—aid besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply the wants of all, we now make 4 sizes, viz: From a 2 Horse Halfway or 3 Horse Lever Power, to a ten Horse Lever power, with prices ranging from \$190 to \$340, without power. We also make the latest improved triple-gear Horse Powers suitable for each size machine ranging from \$90 to \$135, and all fully and fairly warranted. For further information send for Circular and Price List. Responsible Agents wanted in territory not introduced. Address

**RYLANDS PAT. CUTTER.**  
FOR CUTTING HAY, STRAW, FODDER, &c.  
The merits of this Machine consist, in part, in the attachment of curved knives to the arms of the cutting-wheel, the shearing cut across the mouth-piece, the great power and directness of the blow, by which the volume of material is cut, with less power than is required by any other machine; those combined with its durability and simplicity of construction, command public attention. Nothing liable to get out of order, but what a boy could remedy with a pocket wrench.  
Persons in want of machines of this description will do well by calling upon or addressing the undersigned. Good and responsible agents wanted to sell machines and territory.  
The above Machine is now on exhibition at the office of the Waynesboro' Manufacturing Company. Persons interested should call and examine it, for it is what every farmer should have.

**INVALIDS DON'T DESPAIR!**  
Thousands have found relief, and thousands will turn to this medicine, after exhausting their power and patience in search of health. Giddiness of the head, dizziness of the mind, food breath, coated tongue, loss of appetite, pains and weakness in the stomach, enlargement of the liver, yellowness of the skin, constant fever and chills, with a total inability for business, pleasure or any kind of employment. FAHRNEY'S PANACEA, if taken and persevered in for a few days, will remove the whole class of symptoms. The fluids of the body become pure, and food clear, the stomach strengthened, the bowels clean, the appetite improved, and the whole system so benefited that disease, in bad weather, is less liable to visit you.  
Prepared by  
**DR. P. FAHRNEY'S**  
Celebrated  
**Blood Cleanser or Panacea.**  
As a medicine for children, the Panacea is, in every way calculated to take the place of the endless variety of drugs which are annually sold for that purpose, and which are very injurious. A medicine of such excellence the qualities of a cathartic as well as a mild alterative, which is capable of arresting the progress of the most dangerous diseases, and of relieving the most distressing symptoms, is of inestimable value to every mother. As a cathartic, it is very delicate, and it does not, in any proper quantity, cause nausea or distress to the stomach or bowels. It is very pleasant to the taste, which is a very important feature as a medicine for children. As a preservative of disease it is unexcelled. As a tonic, it is superior to any other. It is common to children may be entirely eradicated. Prepared by P. Fahrney's Bro. & Co., Waynesboro, Pa., and Dr. P. Fahrney, 22 North Dearborn St., Chicago. Price \$1.50 per bottle, for sale by Wholesale and Retail Dealers.
