

GOOD NEWS!

CAN BE HEARD AT THE STORE OF

W. A. REID.

I HAVE just bought in the East a choice stock of goods. A full supply of

COFFEES, TEAS, RICE, WHITE SUGARS, (coffee, cracked loaf and pulverized)
P. R. AND N. O. MOLASSES, SYRUPS, DRIED FRUIT, SUGAR-CURED HAMS, SMOKED BEEF, &c.

In the way of Pans, Straws and Baking articles generally and favoring articles, etc. the quality stands unsurpassed. Do not forget to look at our 10 cent and 15 cent sugars. I am prepared to keep with the market.

CHEESE.—The very best quality on hand summer and winter.

CRACKERS.

I get my goods fresh from the factory of James Mason & Co. Have many different kinds. The newest thing out is the "Imperial."

FRESH AND SALTED FISH.

The fish department we keep up full, and will play second fiddle to none. All through the proper season we get string fish, head and herring. We sell sound fish and sell them right in the reason we sell them fast. Customers wanting one shad or 100 waited on with the same alacrity. Housekeepers wanting to lay in a supply for the summer should buy very soon.

MACKEREL.

I now have in store and for sale a choice lot of Mackerel in whole tins, halves and quarters, at about one-half the price per pound of bacon. There is nothing else in the provision line as cheap as Mackerel. Make a note of this.

GLASSWARE.—Look at the goblets, tumblers, sets, small dishes, etc.

QUEENWARE.—Granite ware of the very best make imported in Tea sets and by the dozen and half dozen.

Also a large stock of common Teas and dishes.

NOTIONS AND FANCY GOODS.—Baskets, buckets, brooms, tubs, brushes, soap, Barlow's blue, cloth pins, pocket books, essences, &c. chewing tobacco and cigars.

I ask the public to call and examine. Will always try to make the prices suit cash buyers.

THE MORNING GLORY FOR '71.

For sale at W. A. TRITLE'S new Stove and Tin Store. He has on hand a large stock of the above stoves, all of the late improved kinds. There is added to the Morning of this year an oven, which is neat in appearance. It is a good Baker. You can heat Irons, Bake, Boil, Roast, Stew, and it does not interfere with the operations as a Parlor Stove.

In regard to the heat of some Stove Dealers, who say that their particular stove takes less coal and gives more heat than the Morning Glory, you can put that kind of talk down as a *Blow-out*, as the Morning Glory has been sold (in this part of the country) for three years, and in that time I have put out over three hundred of them, and never had a take one back because it would not do its work or it was not what I sold it for. Now that cannot be said of any other stove ever offered in this market. This is the proof which is the stove.

I have other styles or heating stoves for coal or wood. Heating Furnaces put up and warranted. My Cook Stoves are of the best in market for coal or wood, all warranted good Bakers. Also a new Parlor Cook Stove, something that can't be excelled.

Call and see me. You will find my stock of Tin Sheet-Iron and other wares of the best kinds, and at low rates.

On hand, the best Clothes Wringer in market.—Also a good and cheap Washing Machine.

Roofing and Spouting done of the best stock and at short notice. Job work of all kinds in my line done at low rates. The only place in town where you can get your copper work done, being the only Copper Smith in the place.

GEISER'S PATENT SELF-REGULATING

GRAIN SEPARATOR

CLEANER DAGGER AND POWERS.

No implement more important to the farmer than a FIRST-CLASS GRAIN THRESHER AND CLEANER—for none pays him so well and speedily.

The above cut shows the ONLY GEISER MACHINE new built under the immediate eye of the old inventors themselves, with all the additional improvements made during the past 18 years, and now with first class workmen and material this machine justly stands high up above all its class. As a Thresher it is equal to the best, as a Cleaner it is superior to any existing machine. This is admitted by all honest competitors. Indeed it is the only machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority, as a cleaner over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more simple—more easily understood and operated by those unskilled in machinery—more durable—threshing as much and yet cleaning better—with less power and more comfort to handle than any other machine in use—and besides all this it is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply the wants of all, we now make 4 sizes, viz: From a 2 Horse Railway or 2 Horse Lever Power, to a ten Horse Lever power, with prices ranging from \$190 to \$390, without power. We also make the latest improved triple-geared Horse Powers suitable for each size machine ranging from \$30 to \$135, and all fully and fairly warranted. For further information send for Circular and Price List.

PATENTED SEPT. 21, 1869.

IRLAND'S PAT. CUTTER.

FOR CUTTING HAY, STRAW FODDER, &c.

The merits of this Machine consist, in part, in the attachment of curved knives to the arms of the cutting-wheel, the shearing cut across the mouth-piece, the great power and directness of the blow, by which the volume of material is cut, with less power than is required by any other Machine; it is combined with its durability and simplicity of construction, command public attention. Nothing liable to get out of order, but what a boy could remedy with a pocket wrench.

Persons in want of machines of this description will do well by calling upon or addressing the undersigned. Good and responsible agents wanted to sell machines and territory.

The above Machine is now on exhibition at the office of the Waynesboro Manufacturing Company. Persons interested should call and examine it, for it is what every farmer should have.

INSTALL DON'T DESPAIR!

Thousands have found relief, and thousands will turn to this Medicine after suffering their lives and patience in search of health.

Giddings' Pain Expeller, a most valuable remedy for rheumatism, neuralgia, toothache, headache, and all other pains, is a most valuable remedy for all these ailments. It is a most valuable remedy for all these ailments. It is a most valuable remedy for all these ailments.

Dr. P. FAHRNEY'S
Celebrated
Blood Cleanser or Panacea.

As a medicine for children, the Panacea is, in every way, calculated to take the place of the endless varieties of drugs which are annually sold for that purpose, and which are often very injurious. A medicine which possesses the qualities of a cathartic as well as a mild alterative, and which is capable of arresting disease without the least injury to the child, is of incalculable value to every mother. As a cathartic, it is very effective, yet it does not, if given in proper quantities, cause nausea or distress to the stomach or bowels. It is very pleasant to the taste, which is a very important feature as a medicine for children. A prodigious disease, it is unaccompanied, as it is directly upon the digestive organs and the blood. In all chronic diseases, it is the most effective medicine ever offered to the public; and it gives regularly and permanently, those chronic diseases so common to children may be entirely eradicated.

Prepared by P. Fahrney's Bro. & Co.,
No. 10 North Second Street,
