The memorandum of agreements sign ed by the representatives of the Anthracite board of trade and the Minera' Union at Pottsville on Thursday will produce an immediate resumption of labor in the mines of that region, the question of wages to be decided by the Umpire, Judge Eiwell. All local difficulties arising between the contracting narties in the future are to be refered to a Board of Arbitration, said Board to consist of three members on each side, who, in case of disagreement, will have power to select an Umpire, whose decision shall be final. If, however, a question arises involving the whole mining country, it is to be solved by a Board of Arbitration, consisting of five representatives of each side, with power to tefer to an Umpire.
