the human system is liable.
The following are among the distressing vari-
ety of human diseases in which they
ARE WELL KNOWN TO BE INFALLIBLE.
DYSPEPSIA, by thoroughly cleansing the
first and second stomachs, and creating a flow
of pure healthy bile, instead of the stale and
acidic bile; FLATULENCY, Loss of Ap-

AN IMPORTANT DISCOVERY!!
FOR THE CURE OF
Consumption, Bronchitis, Coughs & Colds.
THE MOKORA ARABICA,
DISCOVERED BY A MISSIONARY,
WHILE TRAVELLING IN ARABIA.
All who are suffering from Consumption
should use the MOKORA ARABICA, discovered
by a missionary in Arabia.
All who are suffering from Bronchitis should
use the MOKORA ARABICA, discovered by a mi-
sionary in Arabia.
All who are suffering from Sore Throat or
Coughs, and Colds, should use the MOKORA
ARABICA, discovered by a missionary in Arabia.
All who are suffering from Asthma, Scrofu-
la and impurities of the blood should use the
MOKORA ARABICA, discovered by a missionary
in Arabia.
It cures Consumption,
It cures Bronchitis,
It cures Sore Throat, Coughs and Colds,
It cures Asthma, Scrofula and impurities of
the Blood.
This unequalled remedy is now for the first
time introduced to the public.
It was provisionally discovered by a mi-
sionary in Arabia, who after his cure
was pronounced hopeless by learned physicians
in Europe.
He has forwarded to us in writing, a full ac-
count of his own extraordinary cure, and of a
number of other cures which have come under
his observation and also a full account of the
medicines.
At his request, and impelled by a desire to
extend a knowledge of this remedy to the pub-
lic, we have had his communication printed in
pamphlet form for free distribution. Its in-
terest is enhanced by an account which gives
some of the scenes of the Syrian massacres,
which he obtained from those who suffered in
the great tragedy.
This pamphlet may be obtained at our office,
or it will be sent free to all who apply for
it. We import the MOKORA ARABICA direct
from Smyrna through the house of Cleon and
Mathew of other cures which have come under
his observation and also a full account of the
medicines. Price One Dollar per bottle.

ONLY ONE DOLLAR EACH!
10,000 Beautiful Steel Plate Engravings
of the Lord's Prayer for sale.
VALUABLE PROPERTY GIVEN AWAY!
The idea of representing the Lord's Prayer
by an engraving, and of ornamenting and col-
ouring it in such a manner as to produce at
once a model of neatness and taste, was con-
ceived and carried out by ORMSBY, the cele-
brated Bank Note Engraver of New York. It
commenced with exultatively executed copies
of "Our Father" and then followed in suc-
cession the other parts of the prayer, every phrase
of which is engraved, in the most elegant and
tasteful manner. Near the bottom of the pic-
ture is a superbly executed head of Our Saviour,
and encircling the upper part of the en-
graving are ten angels, each bearing one of
THE TEN COMMANDMENTS.
The engraving has received the most unquali-
fied praise from the religious community, as
there is nothing of a sectarian character about
it, and it has been recommended by clergymen
of all denominations. As an ornament, it is one
of the most splendid ever published in this
country, and is destined to take the place of a
poor class of engravings. The size of the pic-
ture is 2 1/2 x 2 1/2 inches, and is unquestionably
the cheapest engraving ever offered in this
country.
Who that loves art—who delights to study
a fine engraving—who that would recollect a
picture which such a work is calculated to
impart, would fail to secure a copy when the
price is ONLY ONE DOLLAR, with the chance
of securing for the sum in addition, a per-
manent home or another valuable gift.
As a work of art this valuable and beautiful
engraving is worth more than the dollar asked
for it; it will readily be acknowledged, on an
inspection of it; but the subscribers intend to
make a gift distribution to purchasers of the
engraving of valuable presents of the following—
1 House and Lot in New York Borough.
2 Buggies, (Quinn & Palmer's make, war-
ranted.)
1 Rockaway.
Building Lots in New York Borough.
100 Valuable Books,
50 Bbls. Flour, (Warranted).
1000 Gold Gift Frames to suit Engraving of
the Lord's Prayer.
500 Steel Plate Engravings, Birth of Christ.
Magnificent Looking Glasses.
Gold and Silver Watches.
All kinds of Jewellery, embracing Cameos
Florentine, Mosaic, Gold Stone, &c., &c.
A Gift worth from 50 cents to \$500.00 with
each engraving sold.
When the engravings are sold a meeting of
the purchasers will be called at Washington
Hall, York, Pa., when the Gifts named above
will be distributed in such a manner as the
purchasers may determine. The purchasers
selecting a committee of distinguished persons
to make the awards in such manner as they
may designate.
The proprietors from the favorable manner
in which this gift Enterprise has been received,
and the number of engravings already sold,
hope to be able to have the amount disposed
of by the 1st of July, '81, and when all are
sold they will notify the purchasers, and have
the distribution of the gifts proceeded with.
The engraving has received the commenda-
tion of the Reverend Clergy, our first citizens,
and indeed of all classes, who enter into it
with interest and spirit.
Send One Dollar, and 4 red stamps, to pay
postage on Engraving, and you are sure to
receive in return mail with a Ticket in the
Drawing.
Address,
J. M. AUSTIN & WEHRLY,
J. M. Austin, George Wehrly,
60 Broadway, N. Y., Feb. 20, 1881.
We invite attention to some of the recom-
mendations: From Rev. C. W. Thompson,
Rector of St. John's Protestant Episcopal
Church, York, Pa.
Messrs. Austin & Wehrly:—The engraving
of the "Lord's Prayer," which is now offered
for sale by Messrs. Austin & Wehrly, of this
borough, is "got up" with much taste and
beauty, and ought to be recommended to public
attention—anything that will keep that noble
composition before the mind and memory is
likely to do good. The work seems to me
to require examination in order to be ad-
mired, and I cannot but hope that the gentle-
men who have in hand its distribution at so
moderate a rate, will be abundantly success-
ful in their undertaking.
C. W. THOMPSON,
From Rev. F. F. Hagan, Pastor of the Mora-
vian Church, York, Pa.
York, Pa., Feb. 20, 1881.
Messrs. Austin & Wehrly—Having had
the pleasure of inspecting Messrs. Austin &
Wehrly's splendid engraving of the "Lord's
Prayer," I would cordially recommend it to
the attention of all my friends at York
and elsewhere. It is not only a beautiful
ornament for the dwelling of every christian
family, but also a useful and edifying acqui-
sition for Sunday Schools and similar benevolent
institutions.

etta and vicinity, where specimen engravings can

COMMENDATIONS:
From Hon. Gen'l. G. C. Olin,
My family and friends all concur in an opi-
nion that the (Newell) Picture is more like
life than anything I ever saw. My likeness
has been repeatedly taken by artists in various
ways, but I have never seen one which pre-
sents so true to nature, all the features and ex-
pressions of countenance as this.
From Hon. E. J. Morris, late Minister to
Italy.
The exquisite finish, beauty and softness of
your portraits combined with their durability
of color and faithfulness as likenesses, cannot
fail to commend them to the attention and pa-
tronnage of all who appreciate true art.
From Col. James Page.
Having occasion for a portrait, I procured
one from Mr. Robert Newell, of the city of
Philadelphia, a miniature in Oil Colors, under
the new process discovered by him, and take
great pleasure in expressing the satisfaction
given me, not only by the accuracy and fini-
ness of his artistic finish in all respects, and re-
commend him to the patronage of those disposed to
encourage the beautiful art.

Prof. Miller's Hair Invigorator.
An Effective, Safe and Economical Compound
For restoring Gray Hair to its original color
without dyeing, and preventing the hair from
turning gray.
For Preventing Baldness, and curing it, when
there is the least particle of vitality or recuperative
energy remaining.
For Removing Scurf and Dandruff, and all
cutaneous affections of the Scalp.
For Improving the Hair, imparting to it an
unequalled gloss and brilliancy, making it soft
and silky in its texture and causing it to curl
readily.
The great celebrity and the increasing de-
mand for this unequalled preparation, convince
the proprietor that it is only necessary
to satisfy a discerning public of its superio-
rity over another preparation at present in
use. It cleanses the head and scalp from dan-
drufl and other cutaneous diseases. Causes the
hair to grow luxuriantly, giving it a rich,
soft, glossy and flexible appearance, and also
where the hair is loosening and thinning, it will
give strength and vigor to the roots, and restore
the growth to those parts which have become
waning in its vitality. It is equally good for
the hair of both men and women, and there
are hundreds of ladies and gentlemen in
New York who have had their hair restored
by the use of this invigorator, when all other
preparations had failed. L. M. has in his pos-
session letters from persons of the highest re-
sponsibility, testifying to the
beneficial effects of this invigorator, and
its ability to prevent the hair from
turning gray until the latest period of life
and in cases where the hair has already changed
its color, the use of the invigorator will with-
out doubt restore it to its original color, giving it a
dark, glossy appearance. As a perfume toilet
and Hair Restorative it is particularly recom-
mended, having an agreeable fragrance; and
the great facilities it affords in dressing
the hair, by its use being all that is necessary
to preserve its place, without plain or curls
—hence the great demand for it by the ladies
as a standard toilet article which none ought to
be without as the price places it within the
reach of all, being
ONLY TWENTY-FIVE CENTS.
L. Miller would call the attention of Parents
and Guardians to the use of his invigorator, in
cases where the children's Hair inclines to be
weak. The use of it lays the foundation for a
good head of hair, as it removes any impurities
that may have become connected with the
scalp, which, when necessary, both for
the health of the child, and the future ap-
pearance of his Hair.
CAUTION.—None genuine without the fac-
simile LOUIS MILLER being on the outer wrap-
per, also, the name of his HAIR INVIGORATOR,
N. Y. blown in the glass.
