Dr. TRALL'S LECTURES.-We have much pleasure in calling attention to the lectures advertised to be delivered here next week by Professor Trall of New York. From the character and to effect the "Lady's Book," for the position sustained by Dr. Trall, whether as a physician, a professor, or an author. we confidently bespeak for him a crowded house. Why should we not? The subjects of his lectures are of the greatest interest, and, when presented by such a master mind, certainly cannot fail by their novelty to afford an attractive intellectual feast. Our only fear is test the Hall be not sufficiently large to accommodate all who may wish to hear him. We think the gentlemen forming the committee of management should have procured one of the Church. es in which to hold the evening meetings.

For The Mariettian.]

Mr. Editor: For some time past it has been rumored that Mr. A. B. Grosh would probably be a candidate for the Legislature at the ensuing election, but so far as I know, nothing positive on this matter has yet been announced publicly. I confess that though favorably inclined towards Mr. Grosh, chiefly on account of the public spirited manner in which be interested himself in behalf of our volunteers and their families, yet until collation given to the 'Cameron Guards,' on their return home, I did not know Mr. G. sufficiently to be very specially interested in his behalf. New, however, it is far otherwise. I am most anxious that he should be induced to become a candidate for the Legislature at the next election, as I am satisfied that there is no man within our reach better qualified for the office. What say you? Yours.

East Donegal.

We most heartily coincide with our correspondent in his estimate of Mr. Grosh's qualifications for Legislative honors, and from his being a man of talent, intelligence, honor and sterling integrity, we should gladly see him elected, and shall do all in our power to accomplish at.

On our first page will be found Mr. Gross's able and interesting address delivered at the "Returned Volunteers' Reception " in Clark's woods. We hope every reader of the Mariettian will carefully read and digest this valuable paper. The side walk from the corner of Centre Square on Gay street to the alley is in a dangerous condition. Who is the Borough supervisor? or whose duty is it to have it in a passable condition? We find the sidewalks north have been recently repaired—this one should be, also.

We are glad to learn that Gov. Curtin has appointed Lieut. Col. Welsh, of Columbia, (late of the Second Regiment, P. V.,) Colonel of one of the new regiments which this State has been called upon to furnish. This is an excellent appointment and will give general satisfaction, as a deserved tribute to a worthy man and a brave soldier. Col. Welsh served one year as a private and noncommissioned officer in the Second Regiment Kentucky Volunteers during the Mexican war; was wounded at Buena Vista, and for gallantry and good conduct subsequently promoted to a second lieutenacy of the Eleventh Infantry, in lieutenacy of the Eleventh Infantry, in which capacity he served until the expiration of the war. On the first call for volunteers by President Lincoln he went to Harrisburg as captain of the Shawnee Guards, Columbia, the first company that left this county. He was company that left this county. He was soon afterwards elected lieutenant colonel of the Second Pennsylvania Regionel, and was with Géneral Patterson's ment, and was with Géneral Patterson's liver Oil. HOLLOWAY'S PILLS AND OINTMENT .- No cessity compels us .- Bilious Fever .- Nothing is more disagreeable to the sick than the nauscous medicines physicians oblige them to swallow, but the desire for health is the potent argument which gilds the Pill and disguises the bitterness of the drought. Holloway's Pills, however, obviate this difficulty by the rapidity and certainty of their action. On the stomach liver and bowels they act so effectually that they will immediately cure the worst phases of Indigestion, Headache, Billious Fever, Depression of Spirits, &c. We invite all who are unacquainted with them, if it were possible to find any such, to give them a trial, and we will assure them speedy and permanent relief. For Sore Breasts, Scrofulous Humors, Cancers, Piles, and all skin diseases Holloway's Ointment is the most effectual remedy in use.
