FAMILY COUGH SYRUP—A Cough Syrup, for children and adults has just been put up at my store, which should be in every family this cold weather. F. HINKLE.

Prof. Miller's Hair Invigorator. An Effective and Economical Compound For Restoring Gray Hair to its original color without dyeing, and preventing the hair from turning gray.

For Preventing Baldness, and curing it, when the least article of vitality or recuperative energy remains.

For Removing Scurf and Dandruff, and all cutaneous affections of the Scalp.

For Beautifying the Hair, imparting to it an unequalled gloss and brilliancy, making it soft and silky in its texture and causing it to curl readily.

The great celebrity and the increasing demand for this unequalled preparation, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over another preparation at present in use.

It cleanses the head and scalp from dandruff and other cutaneous diseases. Causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and flexible appearance, and also softens the hair's texture and restores its natural strength and vigor to the roots, and restores the growth to those parts which have become bald, causing it to yield a fine covering of hair.

There are hundreds of ladies and gentlemen in New York who had their hair restored by the use of this Invigorator, when all other preparations had failed.

L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest respectability, who have used it, and who have had their hair restored by the use of this Invigorator, when all other preparations had failed.
