Anthony's Instantaneous Stereoscope Views are the latest Photographic wonder. They are taken in the FORTIETH PART OF A SECOND, and everything, no matter how rapidly it may be moving, is depicted as sharply and distinctly as if it had been perfectly at rest. This gives an additional value, for to the beauties of inanimate nature it adds the charm of life of manimate nature it dads the charm of the and motion. COMMENDATIONS: From Hon. Lewis D. Campbell, M. C., Ohio. My family and friends all concur in the opin-ion that the (Newell) Picture is more life-like than anything they ever saw. My likeness has been repeatedly taken by artists in various ways, but I have never yet had one which pre sents so true to nature, all the features and ex-pressions of countenance as this.

From Hon. E. Joy Morris, late Minister to Italy. The exquisite finish, beauty and softness of your portraits, conjoined with their durability of color and faithfulness as likenessses, cannot fail to commend them to the attention and parameters. ronage of all who appreciate true art.

From Col. James Page. Having occasion for a portrait, I procured ne from Mr. Robert Newell, of the city of hiladelphia, a miniature in Oil Colors, under the new process discovered by him, and take great pleasure in expressing the satisfaction giv-en me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recom mend him to the patronage of these disposed to encourage the beautiful art.

An Effective, Safe and Economical Compound For restoring Gray Hair to its original color without dyeing, and preventing the hair from turning gray.

For Preventing Baldness, and curing it, when here is the least particle of vitality or recuper

ative energy remaining.

For Removing Scurf and Dandruff, and all cutaneous affections of the Scalp.

For Beautifying the Hair, imparting to it an unequalled gloss and brillancy, making it roft and silky in its texture and causing it to curl

The great celebrity and the increasing deand the increasing demand for this unequalled preparation, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over another preparation at present in use. It cleanses the head and scalp from dandruff and other cutaneous diseases. Causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and flexible appearance, and also where the hair is loosening and thinning, it will where the hair is loosening and thinning, it will give strength and vigor to the roots, and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair. There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest response. session letters innumerable testifying to the above facts, from persons of the highest respectibility. It will effectually prevent the hair from turning gray until the latest period of life and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore to its original hue, giving it a dark, glossy appearance. As a perfume to let and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it affords in dressing the hair, which, when moist with the Invigorator can be dressed in any required form so as to preserve its place, whether plain or more restrictions. Tator can be dressed in any required forms so as to preserve its place, whether plain or in curls —hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within th reach of all, being

This unequalled remedy is now for the first time introduced to the public.
It was providentially discovered by a missionary while traveling in Arabia. He was curediof Consumption by its use after his case was pronounced hopeless by learned physicians

in Europe.

He has forwarded to us in writing, a full account of his own extraordinary cure, and of a number of other cures which have come under his observation and also a full account of the

At his request, and impelled by a desire to extend a knowledge of this remedy to the pub-lic, we have had his communication printed in pamphlet form for tree distribution. Its interest is enhanced by an account which he gives of some of the scenes of the Syrian massacres, which he obtained from those who suffered in

that awful tragedy.

This pamphlet may be obtained at our office, or it will be sent free by mail to all who apply for it. We import the Mokora Arabica direct for it. We import the Mokora Arabica direct from Smyrna through the house of Cleon and Gylippus, and we have always on hand a full supply put up in bottles ready for use with full directions.
