LARKIN & CO., Wholesale Photograph Gallery, S. E. Corner Fifth and Arch streets, [ENTRANCE ON EIGHTH STREET.] PHILADELPHIA.

AFTER many years' experience in all the various branches of the Art, the Proprietors confidently invite the attention of their friends and the public to their extensive establishment, which presents the opportunity for procuring the best pictures, ever taken at this or any first-class Gallery in the United States.

To the People of the United States. In the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. Bovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them, that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailment should be had; for diseases of the body must invariably affect the mind.

The subscribers now only ask a trial of Dr. J. Bovee Dods' Imperial Wine Bitters! From all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely un surpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than the other wines; and by purifying the whole system from the head to the feet, it acts as a tonic and alterative in its character, so that they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a tonic is required to strengthen and brace the system. No lady who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

These Bitters will not only cure, but prevent disease, and in this respect are doubly valuable to the person who may use them.

For the cure of Consumption, Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, DR. DODS' CELEBRATED WINE BITTERS ARE UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution, for Ministers of the Gospel, Lawyers, and all public speakers - for Book-keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters will not only cure, but prevent disease, and should be used by all who live in a country where the water is bad, or where Cholera and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially aid in banishing Drunkenness and Disease.

In all affections of the Head, Sick Headache, or Nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most salutary and efficacious.

FEMALES. The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have ever done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.

Dr. J. Bovee Dods' Imperial Wine Bitters are prepared by an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing, disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve Dr. J. Bovee Dods' Imperial Wine Bitters.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, these Bitters should be used every morning before breakfast.

Dr. J. Bovee Dods' Imperial Wine Bitters are a compound of a pure and unadulterated Wine, combined with Bark, Sassafras, Seal, Comfrey, Wild Cherry Tree Bark, Sassafras, Chamomile Flowers, and Gentian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be discarded in the quick nostrums which flood the country, and against which the medical profession are so justly prejudiced.

These truly valuable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that they are now deemed indispensable as a Beverage. - PURCHASE ONE BOTTLE! - IT COSTS BUT LITTLE! Purify the Blood! - Give tone to the Stomach! - Renew the system and Prolong Life.

PRICE \$1 PER BOTTLE; 6 FOR \$5. CHARLES WIDEPHILL & CO., SOLE PROPRIETORS, No. 75 William-st., New-York. For sale by druggists and grocers generally throughout the country.

DR. MOTTS' CHALYBEATE RESTORATIVE PILLS OF IRON. An Aperient and Stomachic preparation of Iron purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest Medical Authorities, both in Europe and the United States, and prescribed in their practice.

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions, indicate its necessity in almost every conceivable case.

Innoxious in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz: In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhoea, Dysentery, Incipient Consumption, Scrophulous Tuberculosis, Salt Rheum, Amenorrhoea, Chlorosis, Whites, Liver Complaints, Chronic Hoarseness, Rheumatism, Intermittent Fevers, Pimples on the face, &c.

In cases of General Debility, whether the result of acute disease, or of the continued diminution of nervous and muscular energy from protracted illness, the Chalybeate Pills have proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy streets of our cities, and in some instances in a distant land. Some very signal instances of this kind are attested of female Sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that combination of nervous and dyspeptic aversion to air and exercise for which the physician has no name.

In Nervous Affections of all kinds, and for reasons familiar to medical men, the operation of this preparation of Iron, must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overheating; and gently, regularly applied, even in the most obstinate cases of constiveness without ever being a gastric purgative, or inducing a disagreeable sensation in the stomach.

It is this latter property, among others, which makes it so remarkably effectual and permanent a remedy for Piles, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

In Dyspepsia, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendant Costiveness.

In Scrophulous Tuberculosis, this medicated Iron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their well known liabilities.

The attention of females cannot be too confidently invited to this remedy and restorative, in the cases peculiarly affecting them.

In Rheumatism, both chronic and inflammatory - in the latter, however, more decidedly - it has been invariably well reported, both as alleviating pain, and removing the swellings and stiffness of the joints and muscles.

In Intermittent Fevers it must necessarily be a great remedy and energetic restorative, and its progress the new settlements of the West, will probably be one of high renown and usefulness.

No remedy has ever been discovered in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exertion, immediately follow its use.

Put up in neat metal boxes containing 50 pills, price 60 cents per box; for sale by druggists and dealers. Will be sent free to any address on receipt of the price. All letters, orders, &c., should be addressed to R. B. LUCKE & CO., General Agents, 20 Cedar-st., N. Y.

My family and friends all concur in the opinion that the (Newell) Pictures are more life-like than anything they ever saw. My likeness has been repeatedly taken by artists in various ways, but I have never yet had one which presents so true to nature, all the features and expressions of countenance as this.

From Hon. E. Joy Morris, late Minister to Italy. The exquisite finish, beauty and softness of your portraits, combined with their durability of color and faithfulness as likenesses, cannot fail to commend them to the attention and patronage of all who appreciate true art.

From Col. James Page. Having occasion for a portrait, I procured one from Mr. Robert Newell, of the city of Philadelphia, a miniature in Oil Colors, and the new process discovered by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommending him to the patronage of those disposed to encourage the beautiful art.

Prof. Miller's Hair Invigorator. An Effective, Safe and Economical Compound. For restoring Gray Hair to its original color without dyeing, and preventing the hair from turning gray.

For preventing Baldness, and curing it, when there is the least particle of vitality or recuperative energy remaining.

For removing Scurf and Dandruff, and all cutaneous affections of the Scalp. For beautifying the Hair, imparting to it unrivaled gloss and brilliancy, making it soft and silky in its texture and causing it to curl readily.

The great celebrity and the increasing demand for this unequalled preparation, convince the proprietor that one trial is necessary to satisfy a discerning public of its superior qualities over another preparation at present in use. It cleanses the head and scalp from dandruff and other cutaneous diseases. Causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and flexible appearance, and where the hair is loosening and thinning, it will give strength and vigor to the roots, and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair.

Persons are hundreds of miles and countries in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest respectability. It will effectually prevent the hair from turning gray until the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore to its original hue, giving it a dark, glossy appearance, and restoring to it a Hair Restorative it is particularly recommended, having an agreeable fragrance and the great facilities it affords in dressing the hair, which, when moist with the Invigorator can be dressed in any required form to preserve its place, whether plain or in curls - hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within the reach of all.

ONLY TWENTY-FIVE CENTS. per bottle, to be had at all respectable druggists and perfumers. L. Miller would call the attention of Parents and Guardians to the use of his Invigorator, in cases where the children's Hair is thinning or weak. The use of it lays the foundation for a good head of hair, as it removes any impurities that may have become connected with the scalp, the removal of which is necessary both for the health of the child, and the future appearance of his Hair.

CAUTION - None genuine without the fac simile L. MILLER being on the wrapper; also, L. MILLER'S HAIR INVIGORATOR, N. Y. Beware of cheap imitations.
