Prof. Miller's Hair Invigorator.

An Effective, Safe and Economical Compound.

For restoring Gray Hair to its original color without dyeing, and preventing the hair from turning gray.

For Preventing Baldness, and curing it, when there is the least particle of vitality or recuperative energy remaining.

For Removing Scurf and Dandruff, and all cutaneous affections of the Scalp.

For Beautifying the Hair, imparting to it an unequalled gloss and brilliancy, making it soft and silky in its texture and causing it to curl readily.

The great celebrity and the increasing demand for this unequalled preparation, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over another preparation at present in use. It cleanses the head and scalp from dandruff and other cutaneous diseases. Causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and flexible appearance, and also where the hair is loosening and thinning, it will give strength and vigor to the roots, and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest respectibility. It will effectually prevent the hair from turning gray until the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore to its original hue, giving it a dark, glossy appearance. As a perfume toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it affords in dressing the hair, which, when moist with the Invigorator can be dressed in any required form so as to preserve its place, whether plain or in curls—hence the great demand for it by the ladies as a standard toilet article which none ought to be without as the price places it within the reach of all, being

ONLY TWENTY-FIVE CENTS.

per bottle, to be had at all respectable druggists and perfumers.

L. Miller would call the attention of Parents and Guardians to the use of his Invigorator, in cases where the childrens' Hair inclines to be weak. The use of it lays the foundation for a good head of hair, as it removes any impurities that may have become connected with the scalp, the removal of which is necessary both for the health of the child, and the future appearance of its Hair.

CAUTION.—None genuine without the fac simile LOUIS MILLER being on the outer wrapper; also, L. MILLER'S HAIR INVIGORATOR, N. Y. blown in the glass.

To the People of the United States.

IN the month of December, 1858, the undersigned for the first time offered for sale to the public *Dr. J. Bovee Dods Imperial Wine Bitters*, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailment should be had; for diseases of the body must invariably affect the mind.

The subscribers now only ask a trial of *Dr. J. Lovee Dods' Imperial Wine Bitters!* From all who have not used them. We challenge the world to produce their equal.

These *Bitters* for the cure of *Weak Stomachs, General Debility*, and for *Purifying* and *Enriching* the *Blood*, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger the other wines; warming and invigorating the whole system from the head to the feet. As these bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a *fine tone and healthy action* to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for diseases and Weakness peculair to *Females*, where a tonic is required to *strengthen and brace the system.* No lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

These Bitters will not only cure, but prevent disease, and in this respect are doubly valuable to the person who may use them.

For Incipient Consumption,
Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles,

DR. DODS'
CELEBRATED WINE BITTERS
ARE UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only *cure*, but *prevent* Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these truly valuable *Bitters* over the land, and thereby essentially aid in banishing Drunkenness and Disease.

In all affections of the Head, Sick Headache, or Nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most salutary and efficacious.

FEMALES.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have ever done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.

Dr. J. Bovee Dods' Imperial Wine Bitters

Are prepared by an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dod's Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing, disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve *Dr. J. Bovee Dod's Imperial Wine Bitters.*

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, these bitters should be used every morning before breakfast.

Dr. J. Bovee Dods' Imperial Wine Bitters

Are composed of a pure and unadulterated Wine, combined with Barberry, Solomon's Seal, Comfrey, Wild Cherry Tree Bark, Spikenard, Chamomile Flowers, and Gentian.—They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quack nostrums which flood the country, and against which the medical profession are so justly prejudiced.

These truly valuable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that rhat they are now deemed indispensable as a

It was providentially discovered by a missionary while traveling in Arabia. He was cured of Consumption by its use after his case was pronounced hopeless by learned physicians in Europe.

He has forwarded to us in writing, a full account of his own extraordinary cure, and of a number of other cures which have come under his observation and also a full account of the medicine.

At his request, and impelled by a desire to extend a knowledge of this remedy to the public, we have had his communication printed in pamphlet form for free distribution. Its interest is enhanced by an account which he gives of some of the scenes of the Syrian massacres, which he obtained from those who suffered in that awful tragedy.

This pamphlet may be obtained at our office, or it will be sent free by mail to all who apply for it. The Cost is only about One-Third that of Tin, and it is TWICE as durable.

This article has been thoroughly tested in New York City and all parts of the United States, Canada, West Indies, and Central and South America, on buildings of all kinds, such as Factories, Foundries, Churches, Rail Road Depots, Cars, and on Public Buildings generally, Government Buildings, &c., by the principal Builders, Architects and others, during the past four years, and has proved to be the CHEAPEST and MOST DURABLE ROOFING in use; it is in every respect a Fire, Water, Weather and Time Proof covering for *roofs of all kinds.*

This is the only material, manufactured in the United States which combines the very desirable properties of *Elasticity and Durability*, which are universally acknowledged to be possessed by GUTTTA PERCHA and INDIA RUBBER.

No heat is required in making application.

The expense of applying it is trifling, as an ordinary Roof, can be covered and finished the same day.

It can be applied by any one, and when finished forms a perfectly FIRE PROOF surface, with an elastic body, which cannot be injured by Heat, Cold or Steam, Shrinking of Roof Boards, nor any external action whatever.

LIQUID GUTTA PERCHA CEMENT.

For Coating Metals of all kinds when exposed to the Action of the Weather, and for Preserving and Repairing Metal Roofs of all Kinds.

This is the only Composition known which will successfully resist extreme changes of all climates, for any length of time, when applied to metal, to which it adheres firmly, forming a body equal to three coats of ordinary paint, costs much less, and will *last three times as long*; and from its elasticity is not injured by the contraction and expansion of *tin* and other *metal roofs*, consequent upon sudden change of the weather.

It will not CRACK in cold or RUN in warm weather, and will NOT WASH OFF.

Leaky tin and other metal Roofs can be readily repaired with *Guta Percha Cement*, and prevented from further corrosion and leaking, thereby ensuring a perfectly warer tight roof for many years.

This Cement is peculiarly adapted for the preservation of *Iron Railings, Stoves, Ranges, Safes, Agricultural Implments*, &c., also for general manufacturing use.

Great Improvements in
SEWING MACHINES.

Empire Shuttle Machine.

Patented February 14th, 1850.

Salesroom, 510 *Broadway, New York.*

THIS Machine is constructed on an entirely new principal of mechanism, possessing many rare and valuable improvements, having been examined by the most profound experts, and pronounced to be *Simplicity* and *Perfection Combined.*

The following are the principal objections urged against Sewing Machines:—

1.—Excessive fatigue to the operator.
2.—Liability to get out of order.
3.—Expense, trouble and loss of time in reparing.
4.—Incapacity to sew every discription of material.
5.—Disagreeable noise while in operation.

The Empire Sewing Machine is exempt from all these objections.

It has a straight needle perpendicular action, makes the LOCK OR SHUTTLE STITCH, which will *neither rip* nor *ravel*, and is alike on both sides; performs perfect sewing on every description of material, from Leather to the finest Nansook Muslin, with cotton, linen silk thread, from the coarsest to the finest number.

Having neither CAM nor COG WHEEL, and the least possible friction, it runs as smooth as glass, and is

EMPHATICALLY A NOISELESS MACHINE!

It requires *fifty per cent.* less power to drive it than any other Machine in the market. A girl of twelve years of age can work it steadily, without fatigue or injury to health.

Its strength and *wonderful simplicity* of construction, render it almost impossible to get out of order, and is *guaranteed* by the company to give entire satisfaction.

We respectfully invite all those who may desire to supply themselves with a superior article, to call and examine this *unrivalled Machine.*
