To the People of the United States. I N the month of December, 1858, the under-signed for the first time offered for sale to the public Dr. J. Bovee Dods Imperial Wine Billers, and in this short period they have given uch universal satisfaction to the many sands of persons who have tried them that it is sands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling

bodily ailment should be had; for diseases o the body must invariably affect the mind.

The subscribers now only ask a trial of

Dr. J. Lovee Dods' Inverial Wine Bitters! From all who have not used them. We chal-

These Bitters for the cure of Weak Stomachs These Bitters for the cure of weak stomacas, General Debitty, and for Purifying and Emriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger the other wines; warming and invigorating the whole system from the head to the feet. As these bitters are tonic and alterative in their character, so they from the head to the feet. As these bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Uiseases and Weakness peculair to Femalar when a

These Bitters will not only cure, but prevent disease, and in this respect are doubly valuable to the person who may use them. For Incipient Consumption,

Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, CELEBRATED WINE BITTERS

For Sore Throat, so common among the Clergy, they are truly valuable.

a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhibitating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain sive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded. These Bitters not only cure, but prevent Dis-ease, and should be used by all who live in a country where the water is bad, or where Childs and Fevers are prevalent. Being en-tirely innocent and harmless, they may be giv-en freely to Children and Infants with im-

unity.
Physicians, Clorgymen, and temperance ad-Physicians, Clorgymen, and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially aid in banishing Drunkenness and Disease.

In all affections of the Head, Sick Headacke, or Nervous Headacke, Dr. Dods' Imperial Wine Bitters will be found to be most satutary and efficacions.

The many certificates which have been tondered us, and the letters which we are daily
receiving, are conclusive proof that among the
women these Bitters have given a satisfaction
which no others have ever done before. No woman in the land should be without them and those who once we them will not fail to

Dr. J. Bovee Dods' Imperial Wine Bitters Are prepared by an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dod's Celebrated Imperial Wine Bitters, had them tested by two distinguished medica practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country,

as a general thing, disapprove of Patent Med-icines, yet we do not believe that a respectable Physician can be found in the United States,

Physician can be found in the United States, acquainted with their medical properties, who will not highly approve Dr. J. Bovee Dod's Imperial Wine Bitters.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, these bitters should be used every morning before breakfast.

Dr. J.
