TO THE PEOPLE OF THE UNITED STATES.

IN the month of December, 1863, the undersigned for the first time offered for sale to the public Dr. J. Bovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailment should be had; for diseases of the body must inevitably affect the mind.

The subscribers will only ask a trial of

Dr. J. Bovee Dods' Imperial Wine Bitters

From all who have not used them. We challenge the world to produce the equal of these Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality; being about one-third stronger than the other wines, and invigorating the whole system from the head to the feet. As these bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system, and give a fine tone and healthy action to all its parts by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases of the Liver, and are particularly adapted to the system. No lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

These Bitters will not only cure, but prevent disease, and in this respect are doubly valuable to the person who may use them.

For Infrequent Consumption.

Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles,

DR. DODS' CELEBRATED WINE BITTERS ARE UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial. As a beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating, and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded. These Bitters not only cure, but prevent disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially aid in banishing Drunkenness and Disease. In all affections of the Head, Sick Headache, or Nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most salutary and efficacious.

FEMALES.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have ever done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.

Dr. J. Bovee Dods' Imperial Wine Bitters

Are prepared by an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing, disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve Dr. J. Bovee Dods' Imperial Wine Bitters.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is evolved, these Bitters should be used every morning before breakfast.

Dr. J. Bovee Dods' Imperial Wine Bitters

Are composed of a pure and unadulterated Wine, combined with Barbary, Solon's Seal, Conifer, Wild Cherry Tree, and other rare, Chionanthus, Flowers, and Gentian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quack nostrums which flood the country, and against which the medical profession are so justly prejudiced.

These truly valuable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that they are now deemed indispensable as a Tonic, Medicine and a Beverage.—PURCHASE A BOTTLE!—IT COSTS BUT LITTLE! Purify the Blood—Give tone to the Stomach—Invigorate the system and Prolong Life.

ELIXIR PROPYLAMINE

The New Remedy for RHEUMATISM.

During the past year we have introduced to the notice of the medical profession of this country the Pure Crystallized Chloride of Propylamine, as a

REMEDY FOR RHEUMATISM;

and having received from many sources, both from physicians of the highest standing and

Flattering testimonials of its real value

from patients, the most

in the treatment of this painful and obstinate

disease, we are induced to present it to the public in a form READY FOR IMMEDIATE USE;

which we hope will commend itself to those who are suffering with this afflicting complaint, and to the medical practitioner who may feel disposed to test the powers of this valuable

remedy.

ELIXIR PROPYLAMINE, in the form above

spoken of, has recently been extensively

experimented with in the

Pennsylvania Hospital,

and with marked success (as will appear from the published accounts in the medical journals.)

It is carefully put up ready for immediate

use, with full directions, and can be obtained from all the druggists at 75 cents per

FRENCH'S CONICAL WASHING MACHINES!

The most simple, durable, convenient and economical article ever invented for the purpose.

Will do the washing of an ordinary family

before breakfast, not only saving time

but clothes.

By strictly following the printed directions, which are simple and easy, it will wash, at one time, six shirts, or two dozen small articles, in about six or seven minutes, or their equivalent.

All the ordinary methods of cleaning fine fabrics, such as lace, &c., the greatest care is required, while with this machine the most delicate articles can be washed without

the possibility of damage.

These results are produced by the constant

rotation of the suds while the machine is in motion.

Families, laundries, hotels, boarding houses, hospitals, asylums, boarding schools, on ships and on steamers, and in the army, who have

machines in use, have sent in their testimonials voluntarily, and the encomiums of the press are very numerous, some of which I have published in a neat pamphlet form.

All I ask of the public is a careful examination of this machine before purchasing of others.

SPEAK GENTLY.

Speak gently!—it is better, far.

To rule by love, than fear—

Speak gently—let not harsh words mar

The good we might do here!

Speak gently!—Love doth whisper low

The vows that true hearts bind;

And friendship's accents flow;

Affection's voice is kind.

Speak gently to the little child!

Its love be sure to gain;

Teach it in accents soft and mild—

It may not long remain.

Speak gently to the young, for they

Will have enough to bear—

Pass through this life as best they may,

'Tis full of anxious care!

Speak gently to the aged one,

Grieve not the careworn heart,

The sands of life are nearly run,

Let such in peace depart!

Speak gently, kindly to the poor;

Let no harsh tone be heard;

They have enough they must endure,

Without an unkind word!

Speak gently to the erring—know

They must have led in vain;

Perchance unkindness made them so;

Oh, win them back again.

Speak gently!—He who gave his life

To bend man's stubborn will,

When elements were fierce in strife,

Said to them—"Peace, be still."

Speak gently!—"Tis a little thing

Dropped in the heart's deep well;

The good, the joy, which it may bring,

Eternity shall tell.

SOMETHING CHEAP.

There's not a cheaper thing on earth,

Nor yet one half so dear;

'Tis worth more than distinguish'd birth,

Or thousands gained a year;

It ends the day a new delight;

'Tis virtue's firmest shield;

And adds more beauty to the night

Than all the stars may yield.

It maketh poverty content,

To sorrow whispers peace;

It is a gift from Heaven sent

For mortals to increase.

It meets you with a smile at morn;

It lulls you to repose;

A flower, for peer and peasant born,

An everlasting rose.

A charm to banish grief away,

To snatch the frown from care;

Turn tears to smiles, make dullness gay,

Spread gladness everywhere.

And yet 'tis cheap as summer dew,

That gem the lily's breast;

A talisman for love, as true

As ever man possessed.

As smiles the rainbow through the cloud,

When threatening storm begins,

As music 'mid the tempest loud,

That still its sweet way wins;

As springs an arch across the tide,

Where waves conflicting foam,

So comes the seraph to our side,

This angel to our home.

What may this wondrous spirit be,

With power unheard before,

This charm, this bright divinity?

Good Temper—nothing more;

PRENTICE CUTS FROM THE 'LOUISVILLE JOURNAL.'

It is now said that Buckner at Fort

Donelson, to be prepared for any turn

of fortune, had a couple of flags tied to

opposite ends of a long pole, a coat

stolen from a neighboring farmer for a

black flag, and a shift stolen from his

wife for a white one. While the Federals

kept at a distance from the fort, he dis-

played the coat end of his flagstaff, but

as they approached, he shifted.

A lady of this city, one of the suffer-

ers by the evil influences of Buckner upon

the youth of our State, makes a sug-

gestion, which, though certainly very

excusable in her, we are not prepared

to endorse. She proposes that the arch-

traitor be put in a cage like Bajazet,

and that every woman, who had a son

lured away by him into the Southern

army, should have the privilege of nipping

his flesh with a pair of pincers.

It was stated soon after Bishop Polk

accepted a military commission that he

had learned to swear as profanely as the

wickedest trooper in his army. Some

think he accepted a military commission

just for the pleasure of swearing. No

doubt he has considered himself as hav-

ing occasion recently to exercise his

new found privilege and luxury to his

heart's content.

A friend suggests that what has been

spoken of as the black flag at Fort

Donelson may have been really meant

for a white flag. He thinks that the

Confederate used a piece of their per-

sonal linen, for the purpose, but that,

as they hadn't had wash-day for some

three months, the garment, meant to be

white, was very naturally mistaken by

Union eyes at a distance for the flag of

piracy. We confess that it would be a

hard case to hold the poor fellows to a

bloody responsibility for their dirty

linen.

We presume it is to be understood

hereafter, that when the Confederates

raise in battle the black flag, skull and

cross-bones, the meaning is that they

expect, after a little while, to ask an

armistice and the appointment of Com-

missioners to arrange the terms of their

surrender.

The question has often been asked

how long the rebellion can live after its

terrible disaster at Fort Donelson. A

snake whose head is cut off in the morn-

ing moves his tail till sunset, and a de-

capitated terrapin lives nine days. It

must be decided by the event whether

the rebellion is a snake or a terrapin.

A lady of our city, when she read that

Buckner's men in Fort Donelson had

raised the black flag, quietly remarked:

"I guess, that if they succeed in find-

ing among themselves a piece of a shirt,

they will be glad to raise a white flag

to-morrow."

Buckner is probably averse to fighting

battles on the Sabbath and therefore he

capitalized to Gen. Grant uncondition-

ally on Sunday morning without renew-
