AN IMPORTANT DISCOVERY!!
FOR THE CURE OF
Consumption, Bronchitis, Coughs & Colds.

THE MAKORA ARABICA,
DISCOVERED BY A MISSIONARY,
WHILE TRAVELING IN ARABIA.

All who are suffering from Consumption should use the MAKORA ARABICA, discovered by a missionary in Arabia.

All those who are threatened with Consumption should use the *Makora Arabica*, discovered by a missionary in Arabia.

All who are suffering from Bronchitis should use the Makora Arabica, discovered by a missionary in Arabia.

All who are suffering from Sore Throat Coughs, and Colds, should use the Makora Arabica, discovered by a missionary in Arabia.

All who are suffering from Asthma, Scrofula and impurities of the blood should use the Makora Arabica, discovered by a missionary in Arabia.

It cures Consumption,
It cures Bronchitis,
It cures Sore Throat, Coughs and Colds.
It cures Asthma, Scrofula and impurities of the Blood.

This unequalled remedy is now for the first time introduced to the public.

It was providentially discovered by a missionary while traveling in Arabia. He was cured of Consumption by its use after his case was pronounced hopeless by learned physicians in Europe.

He has forwarded to us in writing, a full account of his own extraordinary cure, and of a number of other cures which have come under his observation and also a full account of the medicine.

At his request, and impelled by a desire to extend a knowledge of this remedy to the public, we have had his communication printed in pamphlet form for free distribution. Its interest is enhanced by an account which he gives of some of the scenes of the Syrian massacres, which he obtained from those who suffered in that awful tragedy.

This pamphlet may be obtained at our office, or it will be sent free by mail to all who apply for it. We import the *Mokora Arabica* direct from Smyrna through the house of Cleon and Gylippus, and we have always on hand a full supply put up in bottles ready for use with full directions. *Price One Dollar per bottle.*

Sent by mail on receipt of price, and 24 cents for postage. *For sale wholesale or retail, by*

FRENCH'S
CONICAL WASHING MACHINES!

The most simple, durable, convenient and economical article ever invented for the purpose.

Will do the washing of an ordinary family before before breakfast, not only saving time but clothes.

By strictly following the printed directions, which are simple and easy, it will wash, at one time, six shirts, or two dozen small articles, in about six or seven *minutes*, or their equivalent. By all the ordinary methods of cleaning fine fabrics, such as laces, &c., the greatest care is required, while with this machine the most delicate articles can be washed without the possibility of damage.

These results are produced by the constant reaction of the suds while the machine is in motion.

Families, laundries, hotels, boarding houses, hospitals, asylums, boarding schools, on ships and on steamers, and in the army, who have machines in use, have sent in their testimonials voluntarily, and the enconiums of the press are very numerous, some of which I have published in a neat pamphet form.

All I ask of the public is a careful examination of this machine before purchasing of others.

PROFESSOR DEGRATH'S
ELECTRIC OIL.

Wonderful Cures on Man and Beast!

A VALUABLE MEDICINE!

I PROPOSE to cure, almost instantaneously, individuals afflicted with Deafness, Headache, Neuralgia, Chill Fever, Ague, Rheumatism, and all Sores and Pains,

I propose to check and effectually dissipate more ache and pain, and to accomplish nearer and more perfect equilibrium of all the circulating fluids in the human system, than can be effected by any other or all other methods of medical aid in the same space of time, the masses themselves being judges.

I do not propose to cure every disease, but all such as are curable by any combination of medical appliances. My Electric Oil operates on chemical and electric principles, and is, therefore, applicable to the cure or natural restoration of any organic derangement, arising from an improper circulation of Nervous vital fluid.

I want the masses to join in this matter—the well as the sick, because if these things are so, all are alike interested.

N. B. Please inform me of any case of failure to cure, in *from half* hour to three weeks, as I wish to cure or charge nothing.

The Columbus SUN remarks: On Saturday, an old gentleman named Wm. C. Osborne, well known in our city, who, from rheumatic affections, has not been able to walk or use his hands sufficient to feed himself, for more then ten years, was brought to Prof. De Grath on the street, where in the presence of a large assemblage of people, he applied De Grath's Electric Oil to one arm and shoulder. He was immediately enabled to raise his hand to his head and scratch it, a thing he said he had not done before in twelve years.

The New Hampshire Patriot says: During the present week, no less than six of our friends, who have been induced to try Prof. De Grath's Electric Oil for Rheumatism and Deafness, in consequence of having seen this preparation advertised in our colemns, have called upon us to state the result of experiments. These persons assure us that their Rueumatic pains have been entirely cured by a few applications of De Grath's Electric Oil, and they recommend its use to all who are afflicted with any of the diseases which it is designed to cure.

It seems that Rheumatism, Deafness, Neuralhia, Swollen and Stiff Joints, and other Complaints to which we are all subject, have lost their terrors. Prof. De Grath's Electric Oil is warranted to relieve any case in a short space of time, and with a trifling expense. It always cures Scratches, Sprains, Galls and Splints on horses.

TO THE PEOPLE OF THE
UNITED STATES.

IN the month of December, 1858, the undersigned for the first time offered for sale to the public *Dr. J. Bovee Dods Imperial Wine Bitters*, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailment should be had; for diseases of the body must invariably affect the mind.

The subscribers now only ask a trial of *Dr. J. Bovee Dods' Imperial Wine Bitters!* From all who have not used them. We challenge the world to produce their equal.

These *Bitters* for the cure of *Weak Stomachs, General Debility*, and for *Purifying* and *Enriching* the *Blood*, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger the other wines; warming and invigorating the whole system from the head to the feet. As these bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a *fine tone and healthy action* to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculair to *Females*, where a tonic is required to *strengthen and brace the system.* No lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

These Bitters will not only cure, but prevent disease, and in this respect are doubly valuable to the person who may use *them.*

For Incipient Consumption,
Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles,

DR. DODS'
CELEBRATED WINE BITTERS
ARE UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution—for *Ministers of the Gospel*, Lawyers, and all public speakers—for Book-Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only *cure*, but *prevent* Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these truly valuable *Bitters* over the land, and thereby essentially aid in banishing Drunkenness and Disease.

In all affections of the Head, Sick Headache, or Nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most salutary and efficacious.

FEMALES.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have ever done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.

Dr. J. Bovee Dods' Imperial Wine Bitters

Are prepared by an eminent and skillfu physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dod's Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing, disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve *Dr. J. Bovee Dod's Imperial Wine Bitters.*

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, these bitters should be used every morning before breakfast.
