What are the People Doing? The American people are intelligent enough to appreciate preparations that contribute so much to the happiness of those using them, and they want them. Every mail brings us letters, some ordering the Treatise on Teeth, some the Neuralgio Plaster, and not a few enclosing 37 cents for the Mouth Wash, to be sent by mail; but to these we are compelled to reply that it is impossible to send a half-

pint bottle by mail. The people want these Remedies. Who will supply them?
